This contract has expired and will not be renewed. Agencies you may use Statewide Term Contract 001A for Correction Enterprise products. For information on pricing and availability on similar cleaning products, please visit the Correction Enterprises website at:

<https://www.correctionenterprises.com/products/>, or adhere to the established state procurement procedures.

CAUTION TO PURCHASERS/ AGENCIES: In the interest of providing sufficient sourcing, there are two contractors (Staples and Xpedx) that will be providing DISINFECTING chemical dilution control products. Additionally, there are three contractors (Brame, Staples, and Xpedx) that will be providing ENVIRONMENTALLY FRIENDLY chemical dilution control products.

Staples and Xpedx are offering several products that are the same, particularly chemical dilution control. Be sure to review pricing, customer support, and other related issues that are the best fit for your agency.

Staples and Xpedx are providing the J-Fill Quattro Select Dispenser. Brame is providing the VersaFill II Dispenser.

Agencies are responsible for selecting needed chemicals and corresponding chemical dilution control dispensers.

The VersaFill II Dispenser will only accommodate Brame products. The J-Fill Quattro Select Dispenser will only accommodate Staples and Xpedx products.

1. General Information

2. Scope of Contract

The scope of this contract includes disinfectant cleaners (disinfectant-detergents) and selected janitorial cleaners (to clean non porous hard surfaces), and odor counteractants for contract users ranging from mid level disinfectant needs: Phenolic based disinfecting tuberculocidal cleaning solution for floors, walls, showers, etc. in health care related facilities; to mid and lower level disinfectant needs: A variety of Quaternary based cleaners for use in health care related facilities, municipal office bldgs., schools, research labs, and many other facilities. Other janitorial cleaners included are citric acid based, hydrogen peroxide (HP) based, various bathroom cleaning products, a variety of convenient premoistened towelettes (bleach/quaternary/alcohol/citric acid/hydrogen peroxide [HP] based, etc.), a calcium, lime, and rust remover, a drain and sewer line enzyme cleaner and odor controller, and air deodorizing/ air freshening products. Further, numerous "environmentally friendly" hard surface cleaners (including General Purpose Cleaner, Neutral (pH) Cleaner, Restroom Cleaner, Window and Glass Cleaner, Hydrogen Peroxide Cleaner, and Cleaner Degreaser) have been added. Finally, the use of vendor provided chemical dilution control equipment for designated products, at no additional expense to the user, improves sanitation quality, reduce use toxicity, and control cleaning costs.

New Reduced dwell or application contact time disinfectant categories for concentrate, RTU and Wipes applications (which meet AOAC efficacy standards) have been added.

Above "environmentally friendly" cleaners are certified to Green Seal GS-37 Environmental Standard For Cleaning Products For Industrial and Institutional Use, dated September 2011 and EcoLogo Certification Criteria Document CCD-146, Environmental Standard for Hard Surface Cleaners, dated August 2011.

3. Taxes

Prices or Discounts shown herein do not include any North Carolina sales or use taxes.

4. Abnormal Quantities

Any agency requirement that exceeds \$25,000.00 must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

- Purchase may be authorized at the current level of pricing with the current contract vendor(s).

Term Contract No. 435A

- Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s).
- A separate Invitation for Bids may be issued for the requirement.

5. Minimum Orders

This contract will be for a minimum order of \$150.00 for any single order. Agencies are authorized to purchase from best available sources on orders less than this minimum order value. This provision shall not be used by an agency to circumvent the intent of the contract. If an agency elects to place an order for less than the minimum order value, and the contractor elects to accept such order, then transportation charges will be prepaid and added to the invoice.

6. Placement of Orders

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s) or their designated suppliers. Contract changes, if any, over the life of the contract are implemented by contract addenda released by the contract administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

7. Delivery

The contractor(s) will complete delivery within 10 consecutive calendar days after receipt of order. In the event the delivery is not received within the contract delivery period, the contractor may be held in default in accordance with paragraph 1, DEFAULT AND PERFORMANCE BOND in the North Carolina General Contract Terms and Conditions, and the state may procure the articles or services from other sources and hold the contractor responsible for excess cost occasioned thereby.

8. Transportation Charges

All goods shall be delivered FOB destination when the "order value" is \$150.00 or more, when shipped to a single destination. Orders to a single destination that total less than this "order value" should be shipped prepaid, with transportation charges added to the invoice as a separate item. Transportation charges invoiced for orders equal to or more than this "order value" may be cause for removal of the contractor from the contract.

NOTE: If the contractor makes partial shipments of an order equal to or more than this "order value" to one destination, all shipments of the order shall be sent FOB destination with NO additional transportation charges added.

NOTE: All shipments should be inspected for damage immediately upon receipt.

11. Sustainability

Numerous Environmentally Friendly products are available through this contract that are Certified Compliant to Green Seal GS-37 Environmental Standard For Cleaning Products For Industrial and Institutional Use, dated September 2011 OR EcoLogo Certification Criteria Document CCD-146, Environmental Standard for Hard Surface Cleaners, dated August 2011.

These products include General Purpose Cleaner, Environmentally Friendly Neutral Cleaner, Environmentally Friendly Window and Glass Cleaner, Environmentally Friendly Hydrogen Peroxide, and Environmentally Friendly Cleaner Degreaser.

Such products are available in one gallon, wipes, and chemical dilution control concentrate containers.

12. Contractors

All known minority, women and disabled owned businesses, as well as disabled business enterprises and nonprofit work centers for the blind and severely disabled, including dealers, will be identified with "Minority owned" "Woman owned", "Disabled Owned", "DBE" or "BSD" as appropriate after the vendor number. This is being done in an effort to recognize these businesses and to encourage and promote their use to the greatest extent permitted by law.

When more than one supplier is listed for a particular item, selection should be made, whenever possible, from any of the groups identified above, consistent with agency needs and price considerations.

There is, however, a preference statute (G.S. 148-70) for Correction Enterprise products. For information on this preference requirement and a list of products, [click here](#).

13. Vendor Complaint Form

The Vendor Complaint Form can be found by clicking: [Vendor Complaint Form](#).

We solicit your assistance in monitoring the performance of the contractors. In the event problems arise the ordering agency should contact the contractor for resolution. If a satisfactory resolution cannot be reached the agency should complete the Vendor Complaint Form, indicate Purchase & Contract action is required, attach all supporting documentation and forward the packet to the Division of Purchase & Contract. Furthermore, if you have contractor performance issues you would like for the contract administrator to be aware of, but do not require action, complete the Vendor Complaint Form, check the 'Vendor Record Only' box (include all supporting documentation) so this may be considered in the evaluation of future bids. Thanks for your assistance in better meeting your needs.

14. Warranty

The manufacturer's standard warranty shall apply. Contractor guarantees items offered to be free from any and all defects in material, packaging and workmanship, and agrees to replace defective items promptly at no charge to the State.

15. Substitutions

Substitutions are not permitted without prior approval of the Division of Purchase and Contract. Failure of the contractor to comply with this requirement may result in the removal of the contractor from the contract.
