Each firearm must have a serial number engraved and easily readable. Each firearm serial number will be 100% traceable per the requirements of the Bureau of Alcohol, Tobacco, Firearms and Explosives (BATFE) and/or any other applicable law enforcement/regulatory agency. Each invoice will also list the serial number(s) for any firearms ordered.

For NC Community College Basic Law Enforcement Training (NCCCBLET) Academies, BATFE Guidance and the 1968 Gun Control Act require that an eligible college representative complete firearm transfers via 4473 in person on the Federal Firearms Licensee (FFL) site. Firearms cannot be shipped or delivered directly to your sites. Contact Vendor(s) for specific guidance regarding firearm transfer process requirements for NCCCBLET’s.

Firearm Parts, Accessories and Supplies can be purchased at the same discount as referenced above.

Training will be coordinated between the ordering agency and the successful Vendor. The ordering agency will contact the Vendor to arrange training as needed. Vendors may need to provide the following training upon request from the ordering agency.

- Basic operator training program to instructor level staff.
- Armor level training, certifying armorers per manufacturer’s requirements for certification.
- On-going recertification of the previously trained armorers as per manufacturer’s requirements.

All training will be provided by an authorized factory trained manufacturer's representative. Manufacturer will provide all literature and training material required.
