Also included in this package is some preliminary benefit information regarding our State Health Plan and NC Flex benefits for your review. If you are interested in the State Health Plan or any NC Flex benefits, you will need to enroll in them within 30 days of your hire date. Once you have registered for a NCID, you will be able to enroll in these benefits on-line through the Employee Self-Service (ESS) portal. Please follow the directions on the NCID Registration Process Procedures Sheet attached in order to get an NCID.

If you have any questions before your scheduled New Employee Orientation regarding benefits, see your Division Personnel Contact or you may contact the DOA Health Benefits Specialist, Trumelia Hawkins in the DOA Human Resources Management Office directly at 919-807-2481.

Also included with this package is a Benefits Information Sheet which has the websites for the State Health Plan and the NC Flex program for your further review.
See that back of this page for more information.

Please see your Division Personnel Contact to find out the date of your scheduled New Employee Orientation and Policy Training Session.

Again, welcome to the NC Department of Administration!

ON-LINE E-MAIL TRAINING (effective as of October 2009)

If you are a new employee to the North Carolina Department of Administration, and if you are assigned a work computer (and work e-mail address), you will need to complete the On-Line E-Mail Tutorial.

You will need to meet with your supervisor to establish a time during your work day in which you can spend approximately 60 minutes completing this On-Line E-Mail Tutorial training.

The On-Line E-Mail Tutorial can be accessed at:

http://www.records.ncdcr.gov/tutorial_email_20090910/index.html

As an employee to the North Carolina Department of Administration you are required to complete this tutorial within 30 days of your hire date.

You will need to meet with your supervisor to establish a time during your work day in which you can spend approximately 60 minutes completing this On-Line E-Mail Tutorial.

At the end of the tutorial, you will be able to print out a Certificate of Completion.

When the computer asks you to type in your name, please remember to type in both your name and the DOA Division you work at (i.e. "John Smith, State Construction").

We are requiring that you complete this On-Line E-Mail Tutorial prior to your attending the New Employee Orientation session. Bring a copy of the certificate of completion to the New Employee Orientation and give it to your Training Manager.

If, for whatever reason, you cannot complete the on-line training by the time you attend the New Employee Orientation session, please provide your Division Personnel Contact with a copy of the Certificate (keep a copy for your own records).

Your Personnel Contact will forward your Certificate to the Human Resources Management Office in order for the Certificate to be processed.

The Certificate will then become part of your training history and will be put into your personnel file.

As stated before, your Division Personnel Contact has the dates, times and location of your New Employee Orientation session and Policy Training session.
