**OUTREACH MEETING TO BE HELD FOR DBE CONTRACTORS
INTERESTED IN WORKING ON NCDOT PROJECTS**

*Modification of I-85/I-485 interchange in Mecklenburg and Cabarrus counties to be
discussed*

RALEIGH — The N.C. Department of Transportation is hosting an outreach meeting on Tuesday, July 27 in Charlotte for Disadvantaged Business Enterprises interested in subcontracting opportunities on local transportation projects. The meeting will be held from 10 a.m. to 1 p.m. in Room 20 of the Central Piedmont Community College Cato Campus, located at 8120 Grier Road.

Staff from NCDOT's Design-Build, Contractual Services, Construction and Business Development units will be on hand to discuss available opportunities, including work associated with modifying the existing interchange at I-85 and I-485 in northeast Charlotte (Project No. R-2123, segments C and E). Other upcoming projects located in NCDOT's Division 10 (Anson, Cabarrus, Mecklenburg, Stanly and Union counties) will also be announced during the meeting.

Various work will be necessary on these projects including clearing and grubbing, earthwork, borrow, storm drain, utilities, guardrail, seeding, erosion control, signs, miscellaneous concrete, curb and gutter, stone base, asphalt paving, road, stripping, bridges, fence, fabrics, traffic control, trucking, demolition and stream restoration.

DBE subcontractors will also have the opportunity to network with the prime contractors selected to bid on the I-85/I-485 interchange modification project. Prime contractors scheduled to participate in the meeting are:

- A joint venture of Flatiron, Lane JV & STV and Ralph Whitehead Associates, Inc.;
- A joint venture of Balfour Beatty Infrastructure Inc., Austin Bridge and Road, LPPCL Civil Contractors Inc. and RK&K;
