

# Project Information Session and MWSBE Outreach

## Statesville Road Elementary School

**When:** Thursday, February 26th, 4:30 p.m. – 6 p.m.

**Where:** Grand Oak Elementary School, 15410 Stumptown Rd., Huntersville, NC 28078 - Media Center

Dunn | Sterling is hosting a project information session and MWSBE outreach event for the New Statesville Road Elementary School Project. This project is a new 39-Classroom 87,000 SF, 2-story school building similar to Grand Oak Elementary School. The new building will be located at 5521 Millhaven Lane, Charlotte NC. The planned subcontractor bid date is April 2015 and construction start May 2015.

At this session we will review the following information:

- Bid Process
- Scopes of Work
- Construction Documents
- MWSBE goals and partnership opportunities

Dunn | Sterling highly recommends that all prequalified 1st tier subcontractors and all interested lower tier subcontractors and vendors participate in this meeting to learn more about this project. Please note that subcontractor attendance will be considered towards MWSBE Good Faith Efforts.
