

SUBCONTRACTOR NOTIFICATION

SOUTH MECKLENBURG HIGH SCHOOL RENOVATION + EXPANSION Contractor Outreach

LOCATION
South Mecklenburg High School
Media Center
8900 Park Road
Charlotte, NC 28210

PROJECT DESCRIPTION

The South Mecklenburg High School Renovation and Expansion project will replace the two oldest buildings on campus, which date back to the school's original construction in 1958. The 13,000-square foot renovation includes an upgrade to the existing cafeteria and addition of new cafeteria and kitchen space. The new 44,000-square foot classroom building will feature 30 additional classroom spaces to accommodate the school's growing population.
