Project: First Broad River Wastewater Treatment Plant Upgrades Project
Bid Due Date: April 15, 2014 at 2:00 PM ET
Project Location: Shelby, NC
Project Value: \$8,500,000
Contact: Carly Burleson

Wharton-Smith is a general contractor who is soliciting proposals from State of North Carolina HUB Certified M/WBE subcontractors & suppliers for the **First Broad River Wastewater Treatment Plant Upgrades Project for the City of Shelby, NC**. This project is scheduled to bid on **April 15, 2014 @ 2:00 PM**. Please submit your proposed scope of work to us one day prior to the bid date and your firm pricing for that scope of work to us by 10:30 on bid day. Proposals will be received by our Corporate office (located at 750 Monroe Road, Sanford, FL 32771). Proposals may be faxed to 407-330-1092, emailed to envestimating@whartonsmith.com and/or phoned in to 407-321-8410.

Bidding documents are available for free download via www.isqft.com. If you would like to receive a copy of the Plans, Specs, and Addenda, please email us (envestimating@whartonsmith.com) your request including your Company's name and contact information. Please be sure to provide the project name in the subject line. Upon receiving your email, we will send you an Invitation to Bid containing link to the project via www.isqft.com. The iSqFt website will provide instructions on how to log in and view or download the bidding documents. Please do not hesitate to contact Carly Burleson, Administrative Assistant (407-321-8410 x 3387) with any questions you might have regarding the use of the "iSqFt" website. Bidding Documents are available for viewing at our Charlotte division office located at 834 Tyvola Road, Ste 107, Charlotte, NC 28217. Please call ahead to ensure someone is available to assist you at 704-525-5695. Bidding documents may also be examined at these locations: First Broad River Wastewater Treatment Plant, 1940 South Lafayette Street, Shelby, NC; HDR Engineering, Inc. of the Carolinas, 440 South Church Street, Ste 1000, Charlotte, NC 28202 and electronically at AGC Carolina and Dodge.

Please advise us should your company require special accommodations with payment terms, bonding, or insurance in order to provide pricing for this project. Depending on the type of subcontract work, we may also be able to waive subcontractor bonding requirements to make it easier for your company to quote the work. Wharton-Smith, Inc. can make quick pay arrangements (weekly draws) to assist qualified minority and small business subs with their cash flow. We can also provide assistance to qualified minority businesses in need of equipment, loan capital, lines of credit, or joint pay agreements to secure loans, supplies, or letters of credit, including waiving credit that is ordinarily required. If establishing loan capital or lines of credit to purchase materials to be installed on this project is an impediment to your company bidding work, we will gladly work with your material suppliers to set up joint check agreements to enable you to bid this project. Wharton-Smith, Inc. is willing to review any responsible quote and will negotiate terms, if appropriate.

Anticipated areas of work that will be subcontracted for this project are: hauling, site demolition, earthwork, trenching & backfilling, topsoil & finish grading, erosion control, fencing, sidewalks, paving, sodding, concrete formwork & rebar, masonry, structural aluminum, metal fabrications, aluminum railings, joint sealants, doors, frames & hardware, painting & coatings, signage, fire protection, metal building systems, pipe, valves, & fittings, HVAC, and electrical.

If your company requires our help to establish a specific scope of work, which is economically feasible and realistic for your company please do not hesitate to contact us. Any other questions regarding this project may be directed to Carly Burleson, Administrative Assistant, at 407-321-8410 or (email) envestimating@whartonsmith.com.
