STC #425H for Metal File Cabinets has expired and no longer valid. Below is a guideline on ordering cabinets.

For bids conducted by Purchase and Contract:

Submit a requisition to Purchase and Contract indicating which type of cabinet is to be bid, make and model requested.

For end users seeking competition within their delegation:

You may contact dealers from the list below for pricing;

You may contact dealers under STC #420A-Furniture, All Types for pricing.

1. General Information:

This contract is **mandatory** for all state agencies, departments, institutions, universities, community colleges and public school units unless exempted by statute.

Further, it shall be a Convenience Contract, accessible, but not mandatory, for the use of non-State Agencies. Such entities include: nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof. Any non-state agencies that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Service: Service, for the purpose of this contract, shall include, but is not limited to, deliveries, installations, assisting using agencies with selecting and expediting shipments, calling on agencies to discuss their requirements, acting as a consultant in helping to select styles and making any recommendations which may be helpful to the agency.

Special Requirements By User: In cases where after review by the Division of Purchase and Contract it is determined that the user has justified special requirements for cabinets which cannot be fulfilled by the contract, the State reserves the right to satisfy these requirements by means other than the contract, and in accordance with statute.

2. Scope of Contract:

The scope of this contract is for **Metal Cabinets, All Types (Lateral, Vertical & Storage)** designed to hold letter and legal size filing material and other storage materials. The contract does not cover all commercially available filing cabinets, only

Term Contract No. 425H

those generally used by State Offices, Schools, Agencies, etc. These requirements are based on general industry standards and are intended to provide high quality Steel Vertical Filing Cabinets that will withstand constant use for long periods.

3. Taxes:

Prices or Discounts shown herein do not include any North Carolina sales or use taxes.

4. Abnormal Quantities:

Any agency requirement that exceeds \$150,000.00 must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

1. Purchase may be authorized at the current level of pricing with the current contract vendor(s)
2. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s)
3. A separate Invitation for Bids may be issued for the requirement

5. Minimum Orders:

The bidder may offer to ship orders less than the minimum order with the freight prepaid and added to the invoice. It shall be the agency's choice if they wish to accept the offer.

See Contract Information Below

6. Placement of Orders:

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s) or their designated suppliers through E-Procurement catalogs. Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

7. Delivery:

Inside Delivery – Price offered shall include furnish, deliver, set-up in place ready for owner's use.

Inside Delivery is intended for essentially free standing furniture when the ordering agency is unable to bring it from the dock to the point of use. It shall consist of removal from truck, bringing to point of use, uncrating, minor assembly, leaving ready for use and removal of debris.

This inside delivery shall be based on the following conditions:

1. Delivery location has a loading dock or off street loading area.
2. The delivery will be to the same floor as the loading dock or there is a freight elevator available.
3. The delivery may be completed during regular working hours.
4. Deviations from the above shall require a separate non-contract negotiation by the ordering agency at the time of order.

See Contract Information Below

8. Transportation Charges

Price shall include all shall include all applicable freight charges; extra charges will not be allowed and be net, **F.O.B. destination** any point in the State of North Carolina as designated by the ordering agency including dock delivery and tailgating of load which means bringing the truck to the loading dock or loading area and bringing the load to the tailgate of the truck for agency personnel to remove the load without entering the truck. In addition, upon mutual agreement, delivery locations may be modified as agreed between the Contractor and the using Agency.

See Contract Information Below

Note! All shipments should be inspected for damage immediately upon delivery.

9. Work site Damages:

Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the State's satisfaction at the Contractor's sole expense.

10. Installation:

All items must be assembled and set-in place, ready for use. All crating and other debris must be removed from the premises. Use of State's dumpsters will not be allowed.

11. Pricing Information:

See Contract Information Below

12. Price Lists and Catalogs:

The successful contractor must furnish descriptive literature to any agency within seven (7) consecutive days after request of the agency. Failure to comply with these requirements may subject the contractor to removal from the contract.

For ordering purposes, all electronic catalogs and price lists will be available in E-Procurement.
