SPILL PREVENTION CONTROL AND COUNTERMEASURES (SPCC) PLANS
FOR BRUNSWICK COUNTY PUBLIC UTILITIES SITES**

ADDENDA

ADDENDUM NUMBER 1

DATE: March 23, 2020

PROJECT: SPILL PREVENTION CONTROL AND COUNTERMEASURES (SPCC) PLANS

OWNER: BRUNSWICK COUNTY PUBLIC UTILITIES

TO: Request for Qualifications Respondents

This Addendum forms a part of the Contract Documents and modifies the Request for Qualifications Documents dated March 13, 2020, with amendments and additions noted herein below.

Request for Qualification responses already received will not need to be resubmitted for consideration. Respondents have the option to resubmit Request for Qualifications packages, if necessary, to address addendum items listed below.

This Addendum consists of 2 pages.

DELIVERY

Submission Deadline March 25, 2020:

In response to continually evolving situations, Brunswick County Public Utilities will continue to accept RFQ responses until close of business (4:30 p.m.) on **APRIL 3, 2020**. Regardless of the manner of submission, any response received after this date and time will not be considered.

Requirement for five (5) bound copies and one (1) electronic copy provided on USB drive:

Brunswick County Corona Virus Update dated March 22, 2020, urges individuals to follow social distancing best practices and contact county departments via email. In response to this most recent update, responses to the RFQ submitted electronically via email or other method

will be allowed. Note that hard copies and electronic copies provided on USB drives are preferred.

Brunswick County will not be responsible for the failure of delivery of any electronically submitted file. It is the responsibility of the transmitting firm to ensure the file was received. Only information contained within the RFQ file will be considered as part of the response. Incomplete responses or responses inconsistent with the required format may be disqualified from consideration.

ADDITION

Project Completion Deadline June 30, 2020:

In response to a North Carolina Department of Environmental Quality request, Brunswick County Public Utilities is requiring that all 13 SPCC plans be completed and ready to submit no later than **June 30, 2020**.
