	Proposals will be publicly opened: May 24, 2021 @ 2:00 PM
Using Agency: Department of Military and Veterans Affairs	Commodity No. and Description: 721015 - Building maintenance and repair
Requisition No.: PR12063258	

EXECUTION

In compliance with this Request for Proposals (RFP), and subject to all the conditions herein, the undersigned Vendor offers and agrees to furnish and deliver any or all items upon which prices are bid, at the prices set opposite each item within the time specified herein.

By executing this proposal, the undersigned Vendor understands that False certification is a Class I felony and certifies that:

- that this proposal is submitted competitively and without collusion (G.S. 143-54),
- that none of its officers, directors, or owners of an unincorporated business entity has been convicted of any violations of Chapter 78A of the General Statutes, the Securities Act of 1933, or the Securities Exchange Act of 1934 (G.S. 143-59.2), and
- it is not an ineligible Vendor as set forth in G.S. 143-59.1.

Furthermore, by executing this proposal, the undersigned certifies to the best of Vendor's knowledge and belief, that:

- it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal or State department or agency.

As required by G.S. 143-48.5, the undersigned Vendor certifies that it, and each of its sub-Contractors for any Contract awarded as a result of this RFP, complies with the requirements of Article 2 of Chapter 64 of the NC General Statutes, including the requirement for each employer with more than 25 employees in North Carolina to verify the work authorization of its employees through the federal E-Verify system.

G.S. 133-32 and Executive Order 24 (2009) prohibit the offer to, or acceptance by, any State Employee associated with the preparing plans, specifications, estimates for public Contract; or awarding or administering public Contracts; or inspecting or supervising delivery of the public Contract of any gift from anyone with a Contract with the State, or from any person seeking to do business with the State. By execution of this response to the RFP, the undersigned certifies, for Vendor's entire organization and its employees or agents, that Vendor are not aware that any such gift has been offered, accepted, or promised by any employees of your organization.

By executing this bid, Vendor certifies that it has read and agreed to the **INSTRUCTION TO VENDORS** and the **NORTH CAROLINA GENERAL TERMS AND CONDITIONS**. These documents can be accessed from the [ATTACHMENTS](#) page within this document.

Failure to execute/sign proposal prior to submittal may render proposal invalid and it MAY BE REJECTED. Late proposals cannot be accepted.

1.0 PURPOSE AND BACKGROUND

The purpose of this Request for Proposal is to solicit offers to obtain Full-Service Elevator Maintenance and Repair Service for the NC State Veterans Home located at 1601 Brenner Avenue, Building #10, Salisbury, NC. The service elevator and passenger elevator at the State Veterans Home underwent a modernization project July 12, 2019 through April 28, 2020 with Cab interior upgrades, mechanical and electrical upgrades. The preventive maintenance program as herein specified will consist of an all-inclusive service including but not limited to elevator inspections, examinations, lubrication, testing, cleaning, adjusting, all major and minor repairs of equipment, parts, and labor.

The Division of Veterans Affairs is responsible for monitoring this contract. These elevators are used by residents of the NC State Veterans Homes, management company staff and visitors; and are to be maintained at an optimal operating standard. These elevators are essential for the daily operation of the NC State Veterans Home (Healthcare facility).

The intent of this solicitation is to award an Agency Contract.

1.1 CONTRACT TERM

The Contract shall have an initial term of one (1) year, beginning on the date of contract award (the "Effective Date"). The Vendor shall begin work under the Contract within ten (10) business days of the Effective Date.

At the end of the Contract's current term, the State shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of two (2) additional one-year terms. The State will give the Vendor written notice of its intent to exercise each option no later than thirty (30) days before the end of the Contract's then-current term. In addition to any optional terms, and with the Vendor's concurrence, the State reserves the right to extend a contract term after the last active term.

Proposals shall be submitted in accordance with the terms and conditions of this RFP and any addenda issued hereto.

2.0 GENERAL INFORMATION

2.1 REQUEST FOR PROPOSAL DOCUMENT

The RFP is comprised of the base RFP document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this RFP in advance of any Contract award are incorporated herein by reference.

2.2 E-PROCUREMENT SOLICITATION

ATTENTION: This is NOT an E-Procurement solicitation. Paragraph entitled ELECTRONIC PROCUREMENT subsections (d) and (e) of the North Carolina General Contract Terms and Conditions, do not apply to this solicitation.

General information on the E-Procurement Services can be found at: <http://eprocurement.nc.gov/>.

2.3 NOTICE TO VENDORS REGARDING RFP TERMS AND CONDITIONS

It shall be the Vendor's responsibility to read the Instructions, the State's terms and conditions, all relevant exhibits and attachments, and any other components made a part of this RFP and comply with all requirements and specifications herein. Vendors also are responsible for obtaining and complying with all Addenda and other changes that may be issued in connection with this RFP.

If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this RFP, those must be submitted as questions in accordance with the instructions in Section 2.5 PROPOSAL QUESTIONS. If the State determines that any changes will be made as a result of the questions asked, then such decisions will be communicated in the form of an RFP addendum. The State may also elect to leave open the possibility for later negotiation and amendment of specific provisions of the Contract that have been addressed during the question and answer period. Other than through this process, the State rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor's proposal. This applies to any language appearing

in or attached to the document as part of the Vendor's proposal that purports to vary any terms and conditions or Vendors' instructions herein or to render the proposal non-binding or subject to further negotiation. Vendor's proposal shall constitute a firm offer. **By execution and delivery of this RFP Response, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposely or inadvertently, shall have no force or effect, and will be disregarded. Noncompliance with, or any attempt to alter or delete, this paragraph shall constitute sufficient grounds to reject Vendor's proposal as nonresponsive.**

2.4 RFP SCHEDULE

The table below shows the *intended* schedule for this RFP. The State will make every effort to adhere to this schedule.

Event	Responsibility	Date and Time
Issue RFP	State	May 10, 2021
Urged and Cautioned Site Visit	State	May 17, 2021
Submit Written Questions	Vendor	May 18, 2021 @ 12:00 pm
Provide Response to Questions	State	May 19, 2021
Submit Proposals	Vendor	May 24, 2021
Contract Award	State	TBD
Contract Effective Date	State	TBD

Urged and Cautioned

Date: May 17, 2021

Time: 10:00 AM Eastern Time

Contact #: Glen Huff :704-638-4200

Instructions: Vendor representatives are URGED and CAUTIONED to visit the site and apprise themselves of the conditions and requirements which will affect the performance of the work called for by this Request for Proposal. A non-mandatory site visit is scheduled for 10:00 AM Eastern Time at The State Veterans Home, 1601 Brenner Avenue, Building #10, Salisbury, NC. **Due to COVID 19, all Vendors are required to take a Rapid COVID Test before entering the Building. If the Test is COVID Positive the Vendor will not be allowed in the Building.** Strict protocols will be in place requiring mask to worn at all times at The State Veterans Home throughout the site visit.

Submission of a proposal shall constitute sufficient evidence of this compliance and no allowance will be made for unreported conditions which a prudent Vendor would recognize as affecting the performance of the work called for in this proposal.

Vendor is cautioned that any information released to attendees during the site visit, other than that involving the physical aspects of the facility referenced above, and which conflicts with, supersedes, or adds to requirements in this Request for Proposal, must be confirmed by written addendum before it can be considered to be a part of this proposal.

Point of Contact will be:

Glen Huff
Maintenance Director
704-638-4200

2.5 PROPOSAL QUESTIONS

Upon review of the RFP documents, Vendors may have questions to clarify or interpret the RFP in order to submit the best proposal possible. To accommodate the Proposal Questions process, Vendors shall submit any such questions by the above due date.

Written questions shall be emailed to bid.inquiry@doa.nv.gov by the date and time specified above. Vendors should enter "RFP # 13-SB12063258 Questions" as the subject for the email. Questions submittals should include a reference to the applicable RFP section and be submitted in a format shown below:

Reference	Vendor Question
-----------	-----------------

RFP Section, Page Number	Vendor question ...?
--------------------------	----------------------

Questions received prior to the submission deadline date, the State's response, and any additional terms deemed necessary by the State will be posted in the form of an addendum to the Interactive Purchasing System (IPS), <http://www.ips.state.nc.us>, and shall become an Addendum to this RFP. No information, instruction or advice provided orally or informally by any State personnel, whether made in response to a question or otherwise in connection with this RFP, shall be considered authoritative or binding. Vendors shall rely *only* on written material contained in an Addendum to this RFP.

2.6 PROPOSAL SUBMITTAL

IMPORTANT NOTE: This is an absolute requirement. Vendor shall bear the risk for late submission due to unintended or unanticipated delay—whether submitted electronically, delivered by hand, U.S. Postal Service, courier or other delivery service. It is the Vendor's sole responsibility to ensure its proposal has been received as described in this RFP by the specified time and date of opening. The time and date of receipt will be marked on each proposal when received. Any proposal received after the proposal deadline will be rejected.

If applicable to this RFP and using NC BIDS, all proposal responses shall be submitted electronically via the North Carolina Business Invitation Delivery System (NC BIDS). For additional information, the [NC BIDS for Vendors](#) page includes online training videos and a link to [NC BIDS FAQs for Vendors](#).

Failure to submit a proposal in strict accordance with these instructions shall constitute sufficient cause to reject a vendor's proposal(s). Vendors are strongly encouraged to allow sufficient time to upload proposals.

Critical updated information may be included in Addenda to this RFP. It is important that all Vendors proposing on this RFP periodically check the State's IPS website for any Addenda that may be issued prior to the bid opening date. All Vendors shall be deemed to have read and understood all information in this RFP and all Addenda thereto.

2.7 PROPOSAL CONTENTS

Vendors shall populate all attachments of this RFP that require the Vendor to provide information and include an authorized signature where requested. Vendor RFP responses shall include the following items and those attachments should be arranged in the following order:

- a) Cover Letter, must include a statement that confirms that the proposer has read the RFP in its entirety, including all links, and all Addenda released in conjunction with the RFP.
- b) Title Page: Include the company name, address, phone number and authorized representative along with the Proposal Number.
- c) Completed and signed version of EXECUTION PAGES
- d) Vendor's Proposal
- e) Copy of Electrical License
- f) Completed version of ATTACHMENT A: PRICING
- g) Completed and signed version of ATTACHMENT D: LOCATION OF WORKERS UTILIZED BY VENDOR
- h) Completed and signed version of ATTACHMENT E: CERTIFICATION OF FINANCIAL CONDITION
- i) Completed and signed version of ATTACHMENT F: CUSTOMER REFERENCE FORM
- j) Completed and signed version of ATTACHMENT G: HUB SUPPLEMENTAL VENDOR INFORMATION
- k) ATTACHMENT H: MAP OF STATE VETERANS HOME SALISBURY NC

2.9 ALTERNATE PROPOSALS

Vendor may submit alternate proposals for various methods or levels of service(s) or that propose different options. Alternate proposals must specifically identify the RFP requirements and advantage(s) addressed by the alternate proposal. Any alternate proposal, in addition to the marking described above, must be clearly marked with the legend:

"Alternate Proposal #___ for 'name of Vendor'". Each proposal must be for a specific set of Services and must include specific pricing. If a Vendor chooses to respond with various service offerings, each must be offered with a separate price and be contained in a separate proposal document. Each proposal must be complete and independent of other proposals offered.

2.10 DEFINITIONS, ACRONYMS, AND ABBREVIATIONS

The State's standard definitions can be found in the INSTRUCTIONS TO VENDORS link. Below is the list of definitions, acronyms, and abbreviations specific to this procurement:

- a) NCDOA: North Carolina Department of Administration
- b) DMVA: Department of Military and Veterans Affairs

3.0 METHOD OF AWARD AND PROPOSAL EVALUATION PROCESS

3.1 METHOD OF AWARD

North Carolina G.S. 143-52 provides a list of criteria the State shall use to award contracts. The goods or services being procured shall dictate the application and order of criteria; however, all award decisions shall be in the State's best interest.

All qualified proposals will be evaluated, and awards will be made to the Vendor(s) meeting the RFP requirements and achieving the highest and best final evaluation, based on the criteria described below.

While the intent of this RFP is to award a Contract(s) to single Vendor, the State reserves the right to make separate awards to different Vendors for one or more line items, to not award one or more line items or to cancel this RFP in its entirety without awarding a Contract, if it is considered to be most advantageous to the State to do so.

The State reserves the right to waive any minor informality or technicality in proposals received.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

While this RFP is under evaluation, the proposer, including any subcontractors and suppliers are prohibited from engaging in conversations intended to influence the outcome of the evaluation. See the Paragraph 29, CONFIDENTIAL INFORMATION, of the INSTRUCTIONS TO VENDORS.

3.3 PROPOSAL EVALUATION PROCESS

Only responsive submissions will be evaluated.

DUE TO THE CURRENT HEALTH RISKS ASSOCIATED WITH COVID-19, BID OPENINGS WILL NOT BE OPEN TO THE PUBLIC.

The NCDOA will be conducting live bid openings over conference call. Below is the call-in information for this procurement's bid opening scheduled for May 24, 2021 @ 2:00PM

Phone Conference ID: 376 567 7#

The State will conduct a One-Step evaluation of Proposals:

Proposals will be received according to the method stated in section 2.6.

All proposals must be received by the issuing agency not later than the date and time specified on the cover sheet of this RFP. Vendors are cautioned that this is a request for offers, not an offer or request to contract, and the State reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the State.

At that date and time, the proposal from each responding Vendor will be opened publicly and the name of the Vendor and total cost offered will be announced. Interested parties are cautioned that these costs and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's pricing position.

If negotiation is anticipated under 01 NCAC 05B.0503, pricing may not be public until award.

At their option, the evaluators may request oral presentations or discussions with any or all Vendors for clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not. Therefore, all proposals should be complete and reflect the most favorable terms available from the Vendor.

3.4 EVALUATION CRITERIA

All qualified proposals will be evaluated, and award made based on the lowest responsive bid meeting specifications and requirements, to result in an award most advantageous to the State:

3.5 PERFORMANCE OUTSIDE THE UNITED STATES

Vendor shall complete ATTACHMENT D: LOCATION OF WORKERS UTILIZED BY VENDOR. In addition to any other evaluation criteria identified in this RFP, the State may also consider, for purposes of evaluating proposed or actual contract performance outside of the United States, how that performance may affect the following factors to ensure that any award will be in the best interest of the State:

- a) Total cost to the State
- b) Level of quality provided by the Vendor
- c) Process and performance capability across multiple jurisdictions
- d) Protection of the State's information and intellectual property
- e) Availability of pertinent skills
- f) Ability to understand the State's business requirements and internal operational culture
- g) Particular risk factors such as the security of the State's information technology
- h) Relations with citizens and employees
- i) Contract enforcement jurisdictional issues

3.6 INTERPRETATION OF TERMS AND PHRASES

This Request for Proposal serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether proposals should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the Department's needs as described in the Request for Proposal. Except as specifically stated in the Request for Proposal, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a proposal in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFP. By submitting a proposal, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFP. If a Vendor is unclear about a requirement or specification or believes a change to a requirement would allow for the State to receive a better proposal, the Vendor is urged and cautioned to submit these items in the form of a question during the question and answer period in accordance with Section 2.6.

4.1 PRICING

Proposal price shall constitute the total cost to Buyer for complete performance in accordance with the requirements and specifications herein, including all applicable charges handling, administrative and other similar fees. Complete **ATTACHMENT A: PRICING FORM** and include in Proposal.

4.2 INVOICES

a) The Vendor must submit one monthly invoice within fifteen (15) calendar days following the end of each month in which work was performed.

Invoices must be submitted to the following address:

Nicole Stephens
413 N. Salisbury Street
Raleigh, NC 27603

b) Invoices must be submitted to the Contract Administrator in digital or hard copy form on the Vendor's official letterhead stationery and must be identified by a unique invoice number. All invoice backup reports and spreadsheets must be provided in electronic format.

c) Invoices must bear the correct contract number and purchase order number to ensure prompt payment. The Vendor's failure to include the correct purchase order number may cause delay in payment.

d) Invoices must include an accurate description of the work for which the invoice is being submitted, the invoice date, the period of time covered, the amount of fees due to the Vendor and the original signature of the Vendor's project manager.

4.3 PAYMENT TERMS

a) The Vendor will be compensated at the rates quoted in the Vendor's Cost Proposal.

b) The Vendor will be paid net thirty (30) calendar days after the Vendor's invoice is approved by the State.

4.4 FINANCIAL STABILITY

As a condition of contract award, the Vendor must certify that it has the financial capacity to perform and to continue perform its obligations under the contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of this Contract; and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

Each Vendor shall certify it is financially stable by completing the ATTACHMENT E: CERTIFICATION OF FINANCIAL CONDITION. The State is requiring this certification to minimize potential issues from Contracting with a Vendor that is financially unstable. From the date of the Certification to the expiration of the Contract, the Vendor shall notify the State within thirty (30) days of any occurrence or condition that materially alters the truth of any statement made in this Certification. The Contract Manager may require annual recertification of the vendor's financial stability.

4.5 ELECTRICAL LICENSE

Vendor MUST provide a copy of their electrical license.

4.6 REFERENCES

Vendors shall provide at least three (3) references, using ATTACHMENT F: CUSTOMER REFERENCE FORM, for which your company has provided Services of similar size and scope to that proposed herein. The State may contact these users to determine the Services provided are substantially similar in scope to those proposed herein and Vendor's performance has been satisfactory. The information obtained may be considered in the evaluation of the proposal.

4.7 BACKGROUND CHECKS

Any personnel or agent of the Vendor performing Services under any contract arising from this RFP may be required to undergo a background check at the expense of the Vendor, if so requested by the State.

4.8 PERSONNEL

Vendor warrants that qualified personnel shall provide Services under this Contract in a professional manner. "Professional manner" means that the personnel performing the Services will possess the skill and competence consistent with the prevailing business standards in the industry. Vendor will serve as the prime contractor under this Contract and shall be responsible for the performance and payment of all subcontractor(s) that may be approved by the State. Names of any third-party Vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations hereunder. Vendor will retain executive representation for functional and technical expertise as needed in order to incorporate any work by third party subcontractor(s).

Should the Vendor's proposal result in an award, the Vendor shall be required to agree that it will not substitute key personnel assigned to the performance of the Contract without prior written approval by the Contract Lead. Vendor shall further agree that it will notify the Contract Lead of any desired substitution, including the name(s) and references of Vendor's recommended substitute personnel. The State will agree to approve or disapprove the requested substitution in a timely manner. The State may, in its sole discretion, terminate the services of any person providing services under this Contract. Upon such termination, the State may request acceptable substitute personnel or terminate the contract services provided by such personnel.

4.9 VENDOR'S REPRESENTATIONS

If the proposal results in an award, the Vendor agrees that it will not enter any agreement with a third party that may abridge any rights of the State under the Contract. If any Services, deliverables, functions, or responsibilities not specifically described in this solicitation are required for Vendor's proper performance, provision and delivery of the service and deliverables under a resulting Contract, or are an inherent part of or necessary sub-task included within such service, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the Services and Deliverables.

5.0 SCOPE OF WORK

5.1 GENERAL

The service elevator and passenger elevator at the State Veterans Home underwent a modernization project July 12, 2019 through April 28, 2020 with Cab interior upgrades, mechanical and electrical upgrades. The preventive maintenance program as herein specified will consist of an all-inclusive service including but not limited to elevator inspections, examinations, lubrication, testing, cleaning, adjusting, all major and minor repairs of equipment parts, and labor including the ability to review the controller programs or reprogram the equipment as necessary.

Contract Administrator:

Glen Huff
Maintenance Director
704-638-4200

For the purpose of this contract, the NC Department of Military and Veterans Affairs, Division of Veterans Affairs, NC State Veterans Homes Program; hereinafter is referred to as the "Contracting Agency". Glen Huff, Facilities Manager or designee hereinafter is referred to as the "Contract Administrator". The State of North Carolina hereinafter is referred to as "the State".

5.2 OBJECTIVES

The elevators under this contract shall be maintained in first class operating condition and must comply with all requirements of the current American Standard Safety Code for Elevators, ANSI- A17.1, and ANSI Inspection Manual, ANSI-A17.2 and all other application laws, regulations, ordinances, codes, etc., and the American National Standards

Institute (ANSI) Code shall be used as a guide to establish that the elevators are operating safely. The Vendor shall provide a full maintenance program in accordance with ANSI standards.

The elevators were modernized in 2019 according to the current Code requirements that were applicable in North Carolina at the time of the modernization. Any Code requirements subsequent to the installation will not apply.

Additions and Deletion from Units to be maintained:

The elevators to be serviced and maintained under this contract are specified on the Pricing Form (Attachment A) with the individual contract price therefore also designated. Any unit added or deleted by the State from said RFP form will result in the equitable adjustment to the contract price. If added, the price will be negotiated by the parties. If a unit is deleted, the price as then in effect on said individual unit will be prorated over the remainder of the terms of this agreement, and so subtracted from the contractual amount due under this agreement. If elevators are replaced during the term of this contract; the State of North Carolina has the sole discretion of canceling this contract with a 30-day notice to the vendor.

A deduction will be subtracted from the monthly invoice for elevator (s) "out of service", due to fault of the Vendor, for a period exceeding 14 days. The deduction will be computed for the entire time the elevator is "out of service" based on monthly cost.

5.3 TASKS

1. TESTING AND INSPECTIONS

The importance of the elevators, covered by the agreement and specifications, demand that they be maintained in satisfactory and safe operating condition at all times in accordance with the requirements of these specifications and to be kept capable of providing their initial maximum performance, capacity, and speed. The owner reserves the right to make such test or cause to make such test when advisable to ascertain that the requirements of these conditions are being fulfilled.

2. MAINTENANCE SPECIFICATIONS

A. Required Maintenance Service:

1. Vendor under this contract will maintain the entire elevator equipment as hereinafter described, on the terms and conditions subsequently set forth. Vendor will use trained personnel directly employed and supervised by the Vendor. These personnel will be qualified to keep the equipment properly adjusted, and will use all reasonable care to maintain the elevators in proper and safe operating condition.
2. Vendor will regularly and systematically examine, adjust, clean, lubricate, furnish lubricants, and when conditions warrant, repair or replace: MACHINES, MOTORS, GENERATOR AND CONTROLLER PARTS, including but not limited to Worms, Gears, Thrusts, Bearings, Commutators, Rotating Elements, Coils, Contacts, Resistors, Magnet Frames, Hydraulic Valves, and other parts.

These replacement parts shall be equal to or better than the parts installed by original manufacturer in terms of both performance and quality. Vendor shall provide a list of all repair parts, repair part numbers and source of manufacturer plant to Facility Management as repairs are completed.
3. Vendor will keep the guide rails properly lubricated, secured, and aligned at all times. Where roller guides are used, no lubrication is required. When necessary, renew guide shoe gibs or guide rollers in order to assure smooth and quiet operation.
4. Vendor will periodically examine all safety devices and governors, and equalize the tension on all hoisting ropes. All safety tests required by the ANSI-A 17.1 and the State of North Carolina shall be performed when due and in the presence of a state official, or his designee.
5. Vendor will renew all wire ropes as often as necessary to maintain an adequate factor of safety, and repair and/or replace conductor cables.
6. All lubricants used by the Vendor will be equal to or better than the quality specified by the manufacturer of the equipment.

B. Vendor will also examine, lubricate, adjust, repair and/or replace the following equipment:

1. Interlocks
2. Car and hatch Door Operators

3. Car and Hatch Door Hangers
4. Door Closures
5. Signal System and Emergency Power Pack, Emergency power lower devices.

C. The following items of elevator equipment are not included in this contract:

1. Underground and/ or buried piping and jack casing.
2. Smoke and fire sensors with related control equipment not specifically part of the elevator controls.
3. Refinishing, repairing or replacement of car enclosure, car doors, hoistway door panels, frames and sills, main line power switches, breakers and feeders to controller.

The Vendor will furnish necessary qualified elevator mechanic (s) to the Contracting Agency to properly maintain elevators in accordance to manufacturers' specifications Monday through Friday, 8:00AM – 5:00PM for all buildings. This time does not include man hours consumed in emergency call backs either during working hours or after regular hours, nor does it include hours used for major maintenance repairs. If the Vendor is required to make repairs either from misuse, or repairs not included in the contract during normal working hours, the Vendor will assign another qualified mechanic (s) to perform the extra needed repair to ensure the maintenance contract is not being neglected.

3. **MINIMUM PREVENTIVE MAINTENANCE REQUIRED**

Election Traction Elevators

A. Schedule of Maintenance Operations:

The following schedule of inspection and maintenance operations shall be followed in carrying out the performance of this contract. **This schedule constitutes the minimum of operations to be provided.** The successful Vendor must recognize that additional service may be required in order to comply with performance evaluation requirements specified herein.

This service is to be performed at least once per month or more often as required according to the elevator industry standard maintenance requirements so as to maintain the equipment at proper performance levels:

1. **Monthly:** Clean and inspect machine room, ride car and observe operation of doors, lamps, floor notification bells, leveling, reopening devices, etc. (position indicators, push buttons, directional arrows and arrival gong are important items that need checking and replacement of these are a high complaint area)
 - a. Perform general inspection of machinery, sheaves, worm and gear, motor, brake, selectors, or floor controllers when used; lubricate as required.
 - b. Empty drip pans, discard oil.
 - c. Observe brake operation; adjust or repair if required
 - d. Inspect governor-working parts; clean and lubricate.
 - e. Clean and inspect brushes and commutator; perform needed repairs
 - f. Clean and inspect controller, selectors, relay connectors, contacts, check adjustment, and replace contacts as required.
 - g. Clean and lubricate signal drive mechanism when used.
 - h. Check brushes and commutators. Inspect commutators for finish, grooving, eccentricity, and mica level. If required, clean, turn, or refinish commutator to provide proper commutation. Inspect brushes for tension, seating, and wear, replace or adjust as required.
 - i. Check governor rope and tension sheave lubrication.
 - j. Clean pit, remove rubbish, trash, etc.; empty drip pans.

- k. Check door operation, clean, adjust, and lubricate brake, check linkages, gears, motor, check keys, setscrews, contacts, chains and cams.
 - l. Check door closer, clean, adjust and lubricate pivot points.
 - m. Check selector, clean, adjust, and lubricate brushes, dashpots, traveling cables, chain. pawl magnets, wiring, contacts, relays, tape drive, and broken tape switch.
 - n. Check car; clean, adjust, and lubricate car door and gate tracks, pivots, hangers, car fan grill, stile channels, and side and top exits.
 - o. Check in car emergency light, intercom or telephone, and alarm operation.
 - p. Observe operation of signal and dispatching system, indicator dials, and pulleys. Inspect compensating chain hitches, buffers, rope clamps, slack cable switch, couplings, keyways, indicator dials, and pulleys. Check load weighing device and dispatching time settings. Clean, adjust, and lubricate as necessary.
 - q. Check oil level in car and counterweight oil buffers; add oil as required.
 - r. Lubricate guide rails and service automatic lubricators.
 - s. Check and adjust car ventilation system.
 - t. If equipped with firefighter service, initiate Phase I recall and operate the elevator to at least two floors under Phase II. Provide chart in machine room to be signed by mechanic checking fire service.
2. **Quarterly:**
- a. Check leveling operation. Clean and adjust leveling switches, hoistway vanes, magnets, and inductors. Repair and/or adjust for proper leveling.
 - b. On hoistway doors, clean, lubricate, and adjust tracks, check doors, replace worn gibs, hangers, eccentrics, linkage, and interlocks.
 - c. Inspect all fastenings and ropes for wear and lubrication. Clean both governor and hoist ropes; lubricate hoist ropes if needed. **DO NOT** lubricate governor ropes. Inspect all rope hitches and shackles and equalize rope tension.
 - d. Clean, adjust, and lubricate car door or gate tracks, pivots, hangers, car grille, and stile channels.
 - e. Inspect hoist reduction gear, brake and brake drum, drive sheave and motor, worm and gear backlash, thrust endplay, and any bearing wear.
 - f. In the car, test alarm bell system. Inspect, clean, and adjust retiring cam device, chain, dashpots, commutators, brushes, cam pivots, and fastenings. Test emergency switch (ground case, if necessary). Inspect safety parts, pivots, setscrews, switches, etc. Check adjustment of car and counterweight guide shoes, or roller guides; lubricate and adjust, if necessary.
 - g. In the pit, lubricate compensating sheave and inspect hitches. Inspect governor and tape tension sheave fastenings. Empty and clean oil drip pans.
 - h. Clean all parts of safeties and lubricate moving parts to ensure their proper operation. Check and adjust clearance between safety jaws and guide rails. Visually inspect all safety parts.
3. **Semi-annually:**
- a. Clean controllers with blower; check alignment of switches, relays, timers, hinge pins, etc. Check all resistance tubes and grids. Check oil in overload relays, settings, and operation of overloads. Clean and inspect fuses, fuse holders, and all controller connections.
 - b. Inspect sheaves to ensure they are tight on shafts. Sound spokes and rim with hammer to detect cracks.
 - c. In the hoistway, examine guide rails, cams, fastenings, and counterweights. Inspect and test limit of terminal switches.
 - d. Clean all overhead beams, sheaves, and sills, bottom of platform, car top, counterweight, and hoistway walls.
 - e. Check damping motor brushes and replace if needed.

4. Annually:

- a. Perform **Annual No Load Test** and provide signed appropriate work form.
- b. Remove, clean, and lubricate brake cores on brakes; clean linings, if necessary, and inspect for wear. Correct excess wear and adjust.
- c. Inspect motor-generator, hoist motor armatures, and rotor clearances. Check motor and motor-generator set connections; lubricate in accordance with manufacturer's instructions.
- d. Thoroughly clean car and counterweight guide rails using a nonflammable or high flash point solvent to remove lint, dust, and excess lubricant.
- e. Drain, flush, and refill oil reservoirs of each hoisting motor and motor-generator.
- f. Check group supervisory control systems, where installed. Test and adjust the system's dispatching, scheduling, and emergency service features in accordance with manufacturer's literature. Prove to the satisfaction of the CONTRACT ADMINISTRATOR that the system functions properly. Perform all work with minimum inconvenience to building occupants. Furnish full report covering adjustment time intervals, dispatch times on various programs, door standing time, and door opening and closing speeds to the CONTRACT ADMINISTRATOR.

Note: The Vendor shall provide and keep current, a suitable preventive maintenance check chart, or form and in an arrangement acceptable to the Agency, for each elevator or group of elevators in the associated machine room for the equipment; and, the check charts shall be the property of the Agency.

Failure on part of the Vendor to keep the required written test records, check charts maintenance and activity logs accurate and current shall constitute evidence that the required service has not been satisfactorily performed and that no payment for service is due the Vendor. Repetitive failure to maintain the required written test records, check charts and maintenance activities shall be considered grounds for termination of the contract.

4. PERFORMANCE REQUIREMENTS:

It is the intention of this specification that elevator equipment be maintained so as to preserve the operating characteristics in line with the modernization in 2019. Should the Contracting Agency find through its own investigation or the Agency's representative that these standards are not being maintained, the Vendor will be given fourteen (14) days' notice to restore the performance to the required level. Failure by the Vendor to restore the performance to the required level within the fourteen (14) day period may employee the use of the performance bond to ensure that corrective action is taken within the specified period. Cannibalization of elevators to restore other elevators to operational status is strictly prohibited without prior approval of the Contract Administrator.

Vendor shall guarantee all work required during the contract period for the curation of the contract, and shall continue to maintain services and repairs at the same level for a period of ninety (90) days after receipt of a 30 days termination notice.

All requirements written during the contract period by the North Carolina Department of Labor Elevator Division that are the responsibility of the elevator Vendor, shall be completed before the abatement date of the report, or expiration of the contract period, whichever is less. The State of North Carolina will not allow the elevator Vendor who is awarded the contract to make this determination.

The following are performance levels which are a part of the original design and which shall be maintained at all times.

1. Contract speed of all elevators shall be maintained, and brake to brake flight times shall be maintained as originally installed.
2. Leveling accuracy of all elevators shall be maintained at all times.
3. Opening and closing times of all hoistway and car doors shall be maintained within limits of ANSI A 17.1 code, yet assuring minimum standing time at each floor.

4. Door reversals on all elevators equipped with mechanical safety shoes shall always be initiated within the stroke of the shoe. Light ray, and safety screen devices shall be operable at all times under normal operation.
5. "Variable car and hall door hold open times shall be maintained in accordance with original design." Deviations from this will not be permitted.
6. Elevators operating under Group Supervisory Systems shall operate at all times in accordance with design specifications as originally installed. The Vendor shall be required to periodically test these systems and submit to Facility Management, test data indicating performance levels of systems and proof that variable and fixed features are operating properly and all circuits and time settings are properly adjusted.
7. Emergency Fire Service Operation and Emergence Communication Devices shall be tested monthly to be sure it is functioning properly as required by ANSI A17.1 and the North Carolina Building Code. Test record shall be entered on appropriate form located in mechanical room.
 - a. **Spare Parts:** To assure the maximum use of elevators and a minimum shutdown time for emergency repairs the successful bidder will be required to have and maintain on the jobs in metal cabinets furnished by him, a supply of spare parts sufficient for normal and repair of the elevator. These spare parts and lubricants shall be equal to or better than original manufacturer's parts.

Master controller, door operation, and any other component parts must be delivered within forty-eight (48) hours of needed repair.

Used parts or parts that are not equal to or better than genuine manufacturer's parts are not acceptable and will not be permitted.
 - b. **Schedule:** The Vendor shall furnish the State of North Carolina a written schedule of when major service, resulting in downtime, will be performed at least thirty (30) days prior to service.
 - c. **Cleanup:** The Vendor shall remove all materials, supplies, equipment, tools, debris, and rubbish upon completion of service. The Vendor shall not allow any material to enter storm water collection system on State property.

5. ADDITIONAL PROVISIONS AND REQUIREMENTS:

1. a. THE VENDOR SHALL BE IN THE BUSINESS OF MANUFACTURING, INSTALLING AND SERVICING ELEVATORS AND ELEVATOR EQUIPMENT.
 - b. Vendor MUST provide, at a minimum, a copy of their electrical license. Any other supporting documentation of being properly authorized and licensed for the particular job(s) to be performed shall also be included with proposal.
2. Vendor shall not make revisions or repairs to equipment except those incidentals to the operation of the machinery without approval of the Contracting Agency.

Vendor is not required under this contract to make renewals or repairs necessitated by reason of negligence, accident, or misuse of machinery, apparatus or car, by person other than Vendor or his employees. If repairs are required, Division of Facility Services may be contacted by Contract Administrator to assist in determining whether the cause is negligence, accident, or misuse. If revisions or repairs are required under these conditions, the Vendor will obtain approval from the Contract Administrator at the facilities before any repairs are made, giving an estimated cost to complete the renewal or repair.
3. If overtime work is required by the Contract Administrator designated authority covering routine work (service work, examinations) at times other than regular work hours, 8:00AM – 5:00PM, Monday through Friday, the Contracting Agency will compensate the Vendor for overtime hours at a rate specified on the Pricing Form (Attachment C).

In the event the designated authority terminates this contract in whole or part as provided herein, he may procure, in such manner as seems appropriate supplies or services similar to those so terminated and the Vendor shall be liable for any excess cost for such similar supplies or services, however, Vendor shall continue the performance of the contract to the extent not terminated under the provisions of the clause.
4. **Inspection:** The Vendor shall accompany a designated representative(s) of the Contracting Agency on inspections of the work location at any time during business hours of the State. The Contracting Agency reserves the right to make determinations as to whether service is being performed

satisfactorily. Failure to satisfactorily perform any or all services outlined in the contract will be grounds for cancellation of the contract. Vendor will furnish, as required, at no cost to the State of North Carolina, Qualified Personnel to accompany State Elevator Inspector when requested.

5. **Job Conferences:** At least every thirty (30) days, the Vendor will be available for a conference on the past month(s) performance of the contract with a representative of the Contracting Agency. A written periodic performance report may be requested by proper authorities within the State.
6. **Utilities:** The State of North Carolina will provide the Vendor with all normal utilities such as electricity, lights, water, etc., necessary for performing this contract. Upon written request from the Contracting Agency, the Vendor will comply with energy conservation requirements initiated by State Government.
7. **Equipment and Supplies:** The Vendor shall furnish all necessary equipment, supplies and materials necessary for professionally performing all work in this contract. Losses to the State caused by inferior quality work, equipment or supplies shall be reimbursed by the Vendor.
8. **Permits and Technical Data and Wiring Diagrams:** Vendor shall provide to the State of North Carolina at the end of the contract a set or reproducible wiring diagrams covering all changes, modifications, etc., which took place during the term of the contract.
9. **Emergency Call Back Service:** The Vendor shall provide at all times (24 hours per day, 7 days per week) emergency call back service at no additional cost to the Contracting Agency. Emergency callback service shall consist of responding (responding means being on the job site) within a one (1) hour period of notification (s) by an authorized representative of the Contracting Agency to restore an elevator to service in a case where a shutdown or emergency develops between routine maintenance.
The Contracting Agency is not responsible for any cost if the unit is found running when the technician arrives.

Overtime emergency call back service is included in this contract at no additional cost to the Contracting Agency.

10. Under no circumstances will any travel time, mileage, or expenses be paid by the Contracting Agency under this contract. Vendor shall have employees stationed within a twenty-five (25) mile radius of this facility for emergency call back service.
11. **Plant Engineering Check:** Each time an elevator is serviced, whether emergency or regular routine, a report on approved form shall be submitted to the facility within forty-eight (48) hours after servicing. This report shall cover all work done at the time of servicing.

The Agency will not allow the elevator Vendor who is awarded the contract to make this determination.
12. **Vendor Employee Policy:** Vendor employees shall be of a good character as decided by the Vendor and State of North Carolina as determined by references, work record, and criminal background check (provided by the Vendor). Vendor employees shall wear distinctive uniforms or badges while on State Property; shall be instructed to abide by any rules and regulation set forth by the State of North Carolina; shall report immediately any property damage; shall not engage in unnecessary conversation with customer employees, tenants, or students; shall not remove any article from the facility regardless of its value and regardless of any employee's permission. This includes any item found in the trash.

6. **FAILURE TO PERFORM**

Vendor shall guarantee all work required during the contract period for the duration of the contract, and for a period of ninety (90) days after the termination date. Should the Agency determine during the contract period or within thirty (30) days after termination that the required work has been performed improperly or not performed at all; the Vendor shall, after mailing of written notification by the State, correct the difficulty within (5) days. Failure to correct the defect in five (5) days will be construed as default of the contract and the Agency may attach all or a portion of the performance bond to satisfy the contract requirements by obtaining the work from other sources.

7. **PERFORMANCE BOND**

A Performance Bond equal to the contract price for (1) year shall be furnished by the Vendor to the State of North Carolina prior to beginning of work. Such performance bond shall be payable to the State of North Carolina, Department of Administration, and shall remain in effect for the contract period plus ninety (90) days afterward. In the event of unsatisfactory performance or other default by the

Vendor, the State may attach all or a portion of the bond in order to procure the required service from other sources. Performance Bond is due to the Contracting Agency thirty (30) days after award.

8. CASH DISCOUNTS

Vendors are urged to compute any discounts for prompt payment into the proposed price(s), with terms and payment to be net, 30 days. Such proposals may receive preference. If a cash discount is offered and accepted, it will be considered earned if paid by the tenth of the month after receipt of correct invoice or acceptance of the services rendered whichever is later.

9. PRICE INCREASE

No change in price will be allowed during the ~~first~~ year (1) year and (2) 1-year optional renewal (3) years of the contract period. However, upon application, thirty (30) days prior to the end of the contract period (1 year and (2) one-year optional renewal or 3 years), the contract may be adjusted. The adjustment in price will not exceed the increase in the consumer price index (CPI-U, 1982 – 84 = 100) for the previous calendar year as published by the US Bureau of Labor Statistics. If the amount of the increase is more than ten percent (10%), the Contracting Agency reserves the right to cancel this contract. The CPI is contingent upon availability of funds.

5.4 WARRANTIES

Vendor warrants to the State that all items furnished will be new (unless otherwise specifically requested in this RFP), of good material and workmanship, and Vendor agrees to replace any items which fail to comply with the specifications by reason of defective material or workmanship under normal use, free of State's negligence or accident for a minimum of 90 days from date of acceptance. Such replacement shall include transportation costs free of any charge to the State. This statement is not intended to limit any additional coverage, which may normally be associated with a product. Vendor shall assign to the State all third party warranties applicable to such deliverables. Vendor warrants that the State has all rights necessary to utilize all deliverables for their intended purpose free from all third party claims.

5.4 CERTIFICATION AND SAFETY LABELS

All manufactured items and/or fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving a connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate state inspector which customarily requires the label or re-examination listing or identification marking of the appropriate safety standard organization; such as the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and /or National Electrical Manufacturers' Association for electrically operated assemblies; or the American Gas Association for gas operated assemblies, where such approvals of listings have been established for the type of device offered and furnished. Further, all items furnished shall meet all requirements of the Occupational Safety and Health Act (OSHA), and state and federal requirements relating to clean air and water pollution.

6.0 CONTRACT ADMINISTRATION

All Contract Administration requirements are conditioned on an award resulting from this solicitation. This document is not a contract; it is, instead, a request for proposals. This information is provided for the Vendor's planning purposes.

6.1 PROJECT MANAGER AND CUSTOMER SERVICE

The Vendor shall be required to designate and make available to the State a project manager. The project manager shall be the State's point of contact for contract related issues and issues concerning performance, progress review, scheduling and service.

6.2 POST AWARD MANAGEMENT REVIEW MEETINGS

The Vendor, at the request of the State, shall be required to meet periodically monthly with the State for Project Review meetings. The purpose of these meetings will be to review project progress reports, discuss Vendor and State performance, address outstanding issues, review problem resolution, provide direction, evaluate continuous improvement and cost saving ideas, and discuss any other pertinent topics.

6.3 ACCEPTANCE OF WORK

Performance of the work and delivery of goods shall be conducted and completed in accordance with recognized and customarily accepted industry practices and shall be considered complete when the services or goods are approved as acceptable by the Contract Administrator. The State and the Vendor will negotiate and agree on an acceptable notification process and resubmission period, which will be memorialized in the Contract.

Acceptance of work products shall be based on the following criteria:

In the event acceptance criteria for any work or deliverables is not described in contract documents or work orders hereunder, the State shall have the obligation to notify Vendor, in writing ten (10) calendar days following completion of such work or deliverable described in the Contract that it is not acceptable. The notice shall specify in reasonable detail the reason(s) it is unacceptable. Acceptance by the State shall not be unreasonably withheld; but may be conditioned or delayed as required for reasonable review, evaluation, installation or testing, as applicable of the work or deliverable. Final acceptance is expressly conditioned upon completion of all applicable assessment procedures. Should the work or deliverables fail to meet any requirements, acceptance criteria or otherwise fail to conform to the contract, the State may exercise any and all rights hereunder, including, for deliverables, such rights provided by the Uniform Commercial Code as adopted in North Carolina.

6.4 TRANSITION ASSISTANCE

If a Contract results from this solicitation, and the contract is not renewed at the end of the last active term, or is canceled prior to its expiration, for any reason, Vendor shall be required to agree to provide transition assistance to the State, at the option of the State, up to one (1) month to allow for the expired or canceled portion of the Services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such Services to the State or its designees. If the State exercises this option, the Parties agree that such transition assistance shall be deemed to be governed by the terms and conditions of the Contract (notwithstanding this expiration or cancellation), except for those Contract terms or conditions that do not reasonably apply to such transition assistance. The State shall agree to pay Vendor for any resources utilized in performing such transition assistance at the most current rates provided by the Contract for performance of the Services or other resources utilized.

6.5 DISPUTE RESOLUTION

During the performance of the contract, the parties must agree that it is in their mutual interest to resolve disputes informally. Any claims by the Vendor shall be submitted in writing to the State's Contract Manager for resolution. Any claims by the State shall be submitted in writing to the Vendor's Project Manager for resolution. The Parties shall agree to negotiate in good faith and use all reasonable efforts to resolve such dispute(s). During the time the Parties are attempting to resolve any dispute, each shall proceed diligently to perform their respective duties and responsibilities under this Contract. The parties will agree on a reasonable amount of time to resolve a dispute. If a dispute cannot be resolved between the Parties within the agreed upon period, either Party may elect to exercise any other remedies available under the Contract, or at law. This term, when agreed in the Contract, shall not constitute an agreement by either party to mediate or arbitrate any dispute.

6.6 CONTRACT CHANGES

Contract changes, if any, over the life of the contract shall be implemented by contract amendments agreed to in writing by the State and Vendor.

7.0 ATTACHMENTS:

ATTACHMENT A: PRICING

LOCATION: NC STATE VETERAN HOME, BUILDING #10, 1601 BRENNER AVENUE, SALISBURY, NC.

LIST OF ELEVATORS:

<u>MAKE</u>	<u>TYPE</u>	<u>LANDINGS/CAPACITY</u>	<u>SPEED</u>	<u>MONTHLY COST</u>
19953	Traction	3/4000	150	\$ _____
19952	Traction	3/5000	150	\$ _____

MONTHLY TOTAL FOR BOTH ELEVATORS	\$ _____
ANNUAL TOTAL FOR BOTH ELEVATORS (Total monthly cost both elevators x 12 months = Total Price)	\$ _____

The Vendor's hourly labor rate per hour for service, not covered under this contract, or for routine maintenance requested outside normal work hours (8:00am-5:00pm, Monday – Friday excluding State holidays) requested by the Contract Agency is:

Regular working hours: \$ _____ per hour (one mechanic)

Regular working hours: \$ _____ per hour (mechanic & helper)

Overtime working hours: \$ _____ per hour (one mechanic)

Overtime working hours: \$ _____ per hour (mechanic & helper)

Sundays and Holidays: \$ _____ per hour (one mechanic)

Sundays and Holidays: \$ _____ per hour (mechanic & helper)

NOTE: Vendors must quote monthly price in space provided on this form for each individual elevator.
