<b>Transportation Charges</b>	<p>The Vendor will complete the delivery after the Vendor receives the purchase order within the following timeframe:</p> <p><b>Redwood Toxicology Laboratory Inc.</b> <b>Products:</b> Within 5 to 7 business days</p>

	<p><b>Testing Services:</b> Next day air service of inbound specimens sent to Vendor, or its affiliates, for laboratory testing is provided at no charge when five (5) or more urine and/or oral fluids specimens are sent in each FedEx overnight shipment. Any combination of urine and/or oral fluids devices may be shipped together via FedEx overnight service. Fewer than five (5) specimens sent to the lab by next day air service will be assessed a seven-dollar (\$7.00) charge per shipment.</p> <p><b>Premier Biotech Inc.</b></p> <p><b>Products:</b> Within 5 business days</p> <p><b>Testing Services:</b> Vendor will utilize its own specimen collection facilities when applicable and utilize network contracted sites when necessary to provide collection services for MMCAP Infuse members. The Vendor's collection network includes over 9,000 collection sites that provide an array of specimen collection services and meet the highest standards in collections, including DOT collections. Should an instance arise where the Premier Biotech network does not service an MMCAP Infuse member's area, Vendor will subcontract with an appropriate agency able to service their location. Vendor will work with other nationally recognized firms to provide the most extensive collections network available.</p> <p>Vendor will coordinate collections directly for MMCAP Infuse members utilizing its own collection sites or those provided by ARCpoint Occupational Solutions (AOS). AOS will provide organizational structure information about these collection agencies once the specific geographical areas and MMCAP Infuse member details have been secured. In the normal course of business, Vendor will coordinate with AOS to determine appropriate site matches.</p> <p><b>All products are FOB destination.</b></p>
