Contract Covers	This contract is intended to cover the state’s normal requirements for pharmaceuticals from the prime vendor (Cardinal) through the MMCAP Infuse cooperative purchasing agreement. Detailed contract information may be found on the MMCAP Infuse website or you may contact one of the contract administrators for assistance.									
Mandatory Contract	This contract is mandatory for state departments, most state agencies, and by state higher education institutions (except under the conditions specified in G.S. §115D-58.14(a) and G.S. §116-13). The contract may also be utilized, without further competition, by non-mandatory state agencies and other eligible entities.									
Special Note	For all E-Procurement orders, the agency is requested to verify that 269A is referenced in the Contract ID Field on the requisition to ensure contract exemption compliance regarding E-Procurement fees.									
MMCAP Membership	To use this contract, agencies <u>MUST</u> be registered as a MMCAP Infuse Participating Member Facility. If you are not currently registered as a MMCAP Infuse Participating Facility, please complete a MMCAP Infuse Member Application , and email it to the P&C Contract Administrator listed below. Contact the P&C contract administrator if you have questions and/or are unsure about your agency’s membership status.
