Project Title	Project Description	Location	Bid Date
Brunswick County Operation Services - Post Disaster Aerial Mosquito Control	Brunswick County, North Carolina is located in the southernmost region of the state along the NC/SC border. The County is bordered on the west by South Carolina, the north by Columbus County, the east by New Hanover County, and the south by the Atlantic Ocean. The County is one of the largest counties in the state with a land area of approximately 856 square miles. The County has 19 municipalities. The last known fulltime population of Brunswick County is 142,820; however, during the summer this number swells to approximately 250,000. The safety of residents during and after a disaster is a top priority for Brunswick County Government. Part of ensuring the safety of citizens in the aftermath of a disaster is dependent upon timely mosquito suppression applications.	Bolivia, NC	06/23/21
