## BIP Philosophy

- ◆ Holding the offender accountable for their violence is an essential prerequisite for pursuing safety and justice for women.
- ◆ Emphasize and strengthen the message to the offender that the community will not tolerate abuse and will respond with multiple resources.

Bring the Offender out from behind closed doors

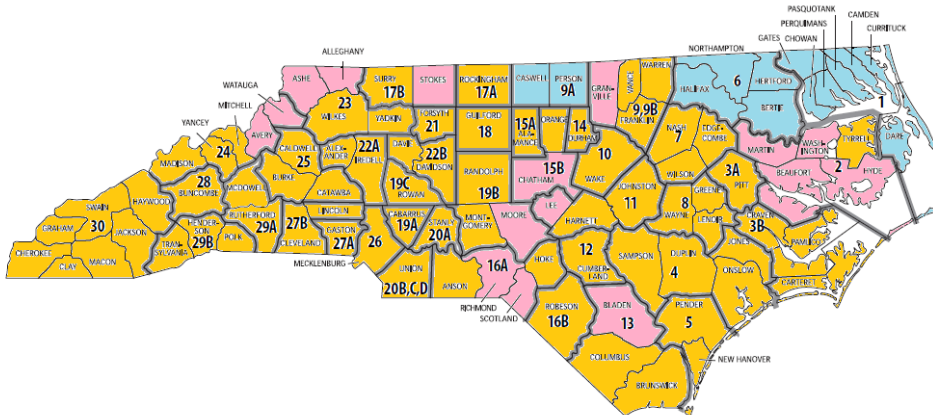

## Referrals and Admitted Referrals to Batterer Intervention Programs from 2008-2017

The chart shows the referrals and admitted referrals over a nine-year period. Referrals may **not** be enrolled due to substance abuse, mental health, having probation revoked, new charges and not showing up for assessment.

- ◆ BIPs are also required to report the number of participants that complete the program as well as those that are terminated from the group.
- ◆ Reasons for termination include Excessive Absences, Non-Compliance with group rules, Recurrence of Violence, Substance Abuse, Arrest/Probation Violation and Non-Payment of Fees.

## North Carolina District Court Districts Effective January 1, 2015

Note: Districts 9 and 9B, and districts 20B, 20C, and 20D are districts for electoral purposes only. They are combined for administrative purposes.

The map shows **District Court districts** with access to approved Batterer Intervention Programs.

- ◆ Yellow signifies the presence of an approved program within the county.
- ◆ Pink signifies a county that does not have an approved program, but has access to one within its district court district.
- ◆ Blue signifies a county that has neither an approved program nor access to a program within their District Court district.
