Subject: NCBLA activity approved

Your NCBLA activity "34th Annual State Construction Conference" has been approved for 6.75 continuing education hours. The activity's course number is 10711.

Reminder: in order to renew your landscape architecture license, you must complete at least 10 hours of continuing education each year. Of these 10 hours, no more than 5 can be associated with self-directed activities.

Additional Notes from Review Process:

Recommend for approval for 6.75 hours, based on the agenda.
