

QUESTIONNAIRE
FOR
VEHICLE SCALES

I. SCALE

A. Type I - Pitless, Portable, Electronic with Steel Deck

List the makes, models, sizes and capacities (Total and concentrated load capacity) you have available that can meet our proposed specification:

Make(s) _____

Model(s) _____

Size(s) _____

Capacities (Total) _____

(CLC) _____

List make and model you plan to offer on this proposal: _____

B. Type II - Pitless, Portable, Electronic with Concrete Deck

List the makes, models, sizes and capacities (Total capacity and concentrated load capacity) you have available that can meet our Proposed Specification:

Make(s) _____

Model(s) _____

Size(s) _____

Capacities _____

List make and model you plan to offer on this proposal: _____

II. WEIGHT INDICATOR AND PRINTER

A. Weight Indicators

List the makes and models you have available that can meet our Proposed Specification:

Makes (s) _____

Model (s) _____

Identify differences in the makes and models listed. _____

List make and model you plan to offer on this proposal: _____

B. Printer(s)

List makes and models of printers you have available that can meet our Proposed Specification:

Make (s) _____

Model (s) _____

Width of Printers: _____

Identify differences in the makes and models listed. _____

List make and model you plan to offer on this proposal: _____

III. COMPUTERIZED SYSTEM (Optional Equipment)

A. Make and Model of hardware system recommended for application software: _____

1. Type processor chip? (286, 386, etc.): _____ mhz

2. Speed of Processor? (12 mhz, 16 mhz, etc.): _____ mhz

3. Math coprocessor needed for application software? () yes () No

4. Hard disk storage capacity: _____ mb

5. Floppy diskette drive capacity per diskette: _____ kb

Size of floppy: () 5 1/4" () 3 1/2"

B. Make and model of printer: _____

1. Width of printer: _____

2. Features of printer: _____

C. Make and model of computer monitor: _____

1. Size of screen: _____

2. Color or monochrome: _____

3. Any other features: _____

D. List any other components included not mentioned
above: _____

IV. WARRANTY

A. Describe your Standard warranty on the following:

1. Scale(s) and related components:

Are extended warranty periods available?

____ Yes/No Explain and describe: _____

2. Weight Indicator: _____

3. Printer: _____

4. Optional "Computerized System": _____
