Vendor Spotlight: Freeman Capital

Freeman Capital Owner Calvin Williams, Jr.

Freeman Capital is a HUB certified vendor based in Charlotte, NC that is leading the way in closing the wealth gap. Owner Calvin Williams, Jr. leads his team by providing an app that focuses on financial planning and investment management. The platform is unique as it provides human advisors and assists with progress monitoring.

The Freeman Capital team also

collaborates with socially aware organizations including: Back\$stage Capital, Google for Startups, Harvard Business African American Student Union, FOXSOUL, Black Enterprise and many others.

Mr. Williams recently spoke with The HUB Office to provide a look into his current initiatives. He said: "For people of color who seek generational wealth, Freeman Capital is an investment app that provides a hyper-personalized wealth journey and is fanatical about simplifying comprehensive wealth management into a monthly subscription service. Freeman Capital is the first black-owned automated wealth platform. We have over 8,000 users and have raised over \$1M in funding. Our drive is to provide wealth management to those who are overlooked through a simple subscription service."

The NC HUB Office is proud to recognize Freeman Capital and wish them all the success the future holds! [Find out more about Freeman Capital and how they can assist you!](#)

Celebrating Black History Month

Governor Roy Cooper declared February 2021 as Black History Month to recognize and honor the contributions and achievements made in the African American Community.

[Read the Governor's Proclamation.](#)

The Department of Administration celebrated Black History Month by highlighting a few of our state and nation's "Firsts" – A spotlight on African Americans serving as "firsts" in their professions, service appointments, and artistry.

Their featured profiles serve as beacons of courage who are leading the way, charting new paths, proudly representing the African American community – and inspiring people everywhere.
