

# **Barton Malow•Samet•SRS**

## **Historically Underutilized Business Outreach Mixer**

*Joint School of Nanoscience & Nanoengineering*

**Tuesday, August 25, 2009**

**6:00 pm – 8:00 pm**

**Gateway University Research Park, South Campus, USDA Building  
2901 Lee Street, Greensboro NC, 27405**

Barton Malow•Samet•SRS, a joint venture company (BMSS) invites construction subcontractors & suppliers to participate in an information session centered on the new 88,330 sf Joint School of Nanoscience and Nanoengineering to be located on the campus of Gateway University Research Park.

During this session, we will :

- have a Meet and Greet Networking Reception (6:00 pm- 6:30pm).
- discuss the project scope with emphasis on Bid Package # 1-Site Development contracts.
- review the plans and specifications.
- discuss the prequalification process and application.
- discuss project logistics and scheduling.
- discuss subcontractor/insurance requirements.
- discuss future project information, upcoming events, sessions, and Bid Package # 2- Structural, Site Mechanical & Electrical Services and Bid Package # 3-Remainder of JSNN Building Trades.

Preconstruction and Operations staff members from BMSS and Gateway University will be available to answer your questions. Please complete the attached form to RSVP for the event and fax to 336.544.2640 or email to [mmcneal@sametcorp.com](mailto:mmcneal@sametcorp.com) no later than Friday, August 21, 2009.

For more information on this event, please contact **Maurice McNeal** at **336.544.2673** or **Chrystal Sills** at **336.544.2665**.
