

THE HUBSTER

NORTH CAROLINA OFFICE FOR HISTORICALLY UNDERUTILIZED BUSINESSES

February 2020 Edition

HUB Director Tammie Hall at the Breakfast Conversations event held on February 25, 2020 in Charlotte engaging with HUB certified vendors.

Celebrating Minority Businesses in Charlotte

During the month of February, the NC HUB Office supported and participated in various events in the Charlotte area aimed to create synergy between the minority business community, local, city, and state leaders. HUB Director Tammie Hall attended the Breakfast Conversations event along with staff members Alicia Lyon and Sharonetta McIntrye, where they networked with several HUB certified and potential HUB vendors, offering strategies for business growth. HUB also participated in the 2020 CIAA Minority Business and Leadership Symposium roundtable discussions, where the theme of building a business climate of inclusion and access to opportunities was the focus.

In celebration of Black History Month, the NC HUB Office would like to recognize all of our African American vendors and celebrate your achievements and contributions to NC's economy! Read [Governor Cooper's proclamation for Black History Month](#).

Director's Quote of the Month:

"I had to make my own living and my own opportunity. But I made it! Don't sit down and wait for the opportunities to come. Get up and make them." - Madam C.J. Walker
