The screenshot shows a software interface with a ribbon at the top containing tabs: Home, Companies, New, FCAP, Authorizations, Programs, Funds Change Request, Reports, Forms, and Help. The 'Programs' tab is active, and a dropdown menu is open, showing options: Cost Estimate, Program, **Project** (highlighted), _Project (legacy funding only), __Design Contract, ___Package, ____Electrical Certificate/Inspection, ____Construction Contract, and ____Change Order.

Below the ribbon, there are two tabs: 'System Notices' and 'Active Design Contracts'. The 'Active Design Contracts' tab is selected, displaying a table with columns 'CONTRACT' and 'DEPARTMENT'. The table contains 15 rows of data. At the bottom, there is a pagination control showing '9 page(s): [1] 2 3 4 5 6 7 8 > Last »'.

SEARCH FOR CHANGE ORDERS

From The Ribbon, Select Programs, Then Change Orders

The screenshot shows a software application interface with a ribbon at the top. The ribbon includes the following tabs: Home, Companies, New, FCAP, Authorizations, Programs, Funds Change Request, Reports, Forms, and Help. The 'Programs' tab is selected, and its dropdown menu is open, displaying the following options: Cost Estimate, Program, _Project, _Project (legacy funding only), __Design Contract, __Package, __Electrical Certificate/Inspection, __Construction Contract, and __Change Order. The 'Change Order' option is circled in red. Below the ribbon, there are three tabs: System Notices, Active Design Contracts, and Active Construction Contracts. The 'Active Design Contracts' tab is active, showing a table with columns for SCO ID#, STATUS, and PACKAGE TITLE. The table is currently empty, displaying '0 found' and a timestamp of '5/3/2018 12:33:48 PM'. To the right of the ribbon, there are two more tabs: Packages and Evaluations (Active). The 'Evaluations (Active)' tab is active, showing a table with an AGENCY column. The table is also empty. At the bottom of the interface, there is a copyright notice: 'ePlus 20180216 Copyright © 2018 - State of North Caroli'.
