

Vanpool Subsidy with Free Parking Passes Available to Eligible State Employees

The State Parking Division offers a **\$15** Triangle Transit Association (TTA) Vanpool Subsidy to eligible state employees. A vanpool is similar to a carpool, but the TTA provides the transportation for a low monthly fare.

To be eligible for the TTA Vanpool Subsidy Program the following conditions must be met:

- Must not have a parking space, but would otherwise be eligible for one.
- Have permanent employment status and work in the downtown government complex.
- This subsidy does not apply to TTA Vanpool drivers.

In addition, State Parking offers eligible participants up to 192 hours of complimentary annual parking in the State Visitor Parking Lots. The pass may be used when commuters must drive a personal vehicle to work. The parking pass is issued quarterly, upon request, beginning in January. Each individual pass is valid for up to 48 hours per quarter.
