Non-mandatory entities, including schools and local governments, may use this contract as allowed by general statute.																																																																																	
Special Considerations	<p><u>State Building Flooring Projects:</u></p> <p>“State buildings,” as defined by NC GS § 143-336, refers to all State buildings, utilities, and other property developments except the State Legislative Building, railroads, highway structures, bridge structures, and any buildings, utilities, or property owned or leased by the North Carolina Global TransPark Authority. State Agencies must partner with their Facilities Management Office on any flooring installation for any state building, because of the possibility for State Construction Office (SCO) approval of material, design, and installation services per NC GS § 143-341, as the project may be considered a building modification or electrical service.</p> <p><u>Non-State Building Flooring Projects:</u></p> <p>Flooring projects for non-state buildings should adhere to all local, state, and federal building codes and regulations.</p> <p><u>Special Note:</u></p> <p>If a buyer requires floor covering from a manufacturer that is not covered under contract and is required based on standardization to match existing floor coverings, the buyer shall follow normal purchasing procedures based on a brand-specific waiver of competition to purchase.</p>

Return Policy

The awarded manufacturers shall accept merchandise returns from buyers for thirty (30) business days after delivery. The awarded manufacturers shall provide full credit or full refund to buyers, whichever a buyer requests, within thirty (30) business days of all returns of ordered products that are in original packaging and in re-sellable condition. The awarded manufacturers shall not impose a restocking fee on the buyer for merchandise that has been returned unless it is a specialty item and the buyer has been notified, at the time of placement of an order, of the potential restocking fee.

Flooring materials or supplies that are unacceptable because of quality problems, duplicated shipments, outdated products, damage, or other issues related to awarded manufacturers or product performance, shall be returned at the awarded manufacturer's expense within five (5) business days after receipt of notification from the ordering entity; with no restocking charge.

Taxes

Prices do not include North Carolina sales or use tax.

Warranty

Standard manufacturers' warranty applies.

Order Placement

The awarded manufacturers are required, upon request by a buyer, to provide the manufacturer's catalogs and descriptive literature and/or URL address with flooring material descriptive literature, manufacturer's user-accessible URL for MSRP of all options.

The awarded manufacturer will send an authorized North Carolina installer to conduct a site visit and determine the scope of work. The authorized installer submits a labor cost to the awarded manufacturer, who sends an itemized cost for materials and installation to the

	<p>buyer. This information is to be provided to the buyer within three (3) business days of the request. Such information shall be provided at no charge to the buyer.</p> <p>The buying agency shall contact the desired manufacturer on how the orders will be placed.
