C11326 - Addendum No. 02

A. Additional Project Information:

This addendum is being issued to publish the remaining questions and answers not addressed with Addendum 1. Additionally, the Notice to Bidders has been revised to reflect the correct contract number under the instructions for submitting an email bid. The previous Notice to Bidders stated to put C11328 in the subject line rather than C11326.

The bid date remains May 6th, 2020 at 3:00pm. Please reference the Notice to Bidders for bid submission instructions. Again, it is highly recommended that you follow the instructions for submitting an email bid prior to the bid opening date and time. To be considered responsive your bid must include:

- HUB Identification Page (must fill out even if there is no HUB participation)
- HUB Affidavit A or B
- Form of Proposal (Both Pages)

This addendum is hereby made part of the bid documents and will be binding under the contractual agreement entered into between the bidder and the North Carolina Department of Public Safety, Central Engineering.
