# Historically Underutilized Business Goods and Services Spending Report FY 25-26

The FY 25-26 HUB Spending Report will be the final one because the state budget passed July 7, 2026 by the NC General Assembly immediately eliminated the Office for Historically Underutilized Businesses ( HUB Office) as well as all HUB related General Statutes (including reporting requirements). This report includes incomplete data due to an unusually low number of Quarter 4 reports (April-June) submitted by school systems, community colleges and universities. The reduced submissions may be partially attributed to staff turnover at the individual agencies and likely was exacerbated by lack of typical July followup reminders from HUB staff. Additionally, 10 organizations did not submit any reports during FY 25-26: Boards of Education for Beaufort, Madison, Richmond and Tyrrell counties; Caswell County Schools, Durham Public Schools, Elkin City Schools, Robeson County Schools; Halifax Community College and Elizabeth City State University.
