NC HUB Advisory Council – July Recap

The Governor's HUB Advisory Council met on July 17, 2019 at NC A&T State University. The Council heard from community leaders in Greensboro and received a presentation from Opportunity North Carolina. The HUB Office presented updates and Deputy Secretary Christy Agner provided an overview of Governor Cooper's Hometown Strong initiative.

The next HUB Advisory Council meeting is scheduled for October 30 in Raleigh, NC. Read the full minutes from July [here](#).

HUB 2019 Summer Intern

The HUB office bids farewell to summer intern Adrienne Clevon on July 26. Clevon, a rising senior at UNC-Chapel Hill, expanded her knowledge of supplier diversity issues and gained hands-on experience in public service during her ten weeks at the HUB office. She served HUB vendors through front-end communications, assisted with trainings across the state, and created research and communication materials.

The HUB Office would like to thank Adrienne for her hard work this summer!

"While I've always been passionate about diversity and equity, working with the HUB team has given me a front-seat view of that work."
-Adrienne Clevon

Meredith Swartz, NC DOA Purchasing Officer, presenting at the July Meet the Purchaser Event about goods and services.

Meet the Purchaser!

Meet the Purchaser events are opportunities to network, broaden your procurement connections, and learn about NC State Government. Our July event featured procurement decision makers from the Departments of Administration, Commerce, Revenue, and Transportation who met with more than 80 vendors from across the state. Thank you to all who participated!

Our next Meet the Purchaser event is September 25 and will be a special event focusing on disaster preparedness. Details are being finalized now and registration will be coming soon on the HUB website.

Director's Quote of the Month:

HUB Director
Tammie Hall

"The real test is not whether you avoid this failure, because you won't. It's whether you let it harden or shame you into inaction, or whether you learn from it; whether you choose to persevere."

-- Barack Obama
