

THE HUBSTER

NORTH CAROLINA OFFICE FOR HISTORICALLY UNDERUTILIZED BUSINESSES

October 2021 Edition

MED WEEK 2021

The HUB Office held a ribbon cutting ceremony for the new NC MBDA Business Center as part of the 2021 MED Week celebration event on October 8.

Minority Enterprise Development (MED) Month is an annual celebration in October with events, seminars, and networking opportunities recognizing and honoring the achievements of minority business leaders and owners. The statewide MED Week runs October 4—8. The HUB Office celebrated this year's MED Week and Month introducing the new North Carolina Minority Business Development Center in Research Triangle Park. The Center's grand opening event included presentations by NC Department of Administration Secretary Pamela B. Cashwell, HUB Director Tammie Hall, Acting National Director of the Minority Business Development Agency (MBDA) Miguel Esti3n, among others. The Center will be a staple for minority led firms that hope to grow and scale their business, network, and find opportunities in state and local government procurement. This monumental event was the pinnacle of a week full of celebration, education, and networking. Thank you to all who participated and attended!

The RETOOLNC program is still open to eligible HUBs and disadvantaged business enterprise (DBE) firms.
