Re: Shelby Water Treatment Plant Upgrades
SRF Project No. WIF-1925
Shelby, NC

Shook Construction is bidding on the above-referenced project as a prime contractor and is soliciting proposals from qualified disadvantaged, minority, female and small businesses. **The project bids on September 27, 2018 at 2:00 PM.** However, in order for us to prepare the bid documents for submittal by the published bid time, **we ask that you submit your bid(s) and proof of M/WBE certification no later than 10:00 AM** to estimating@shookconstruction.com or fax: (866) 652-7331.

The project consists of constructing two new clearwells, clearwell valve vault, new high service pump station, new generator, filter valve replacements, miscellaneous improvements to the main control building and repairs to the sedimentation basin. **The project is taxable and Davis-Bacon prevailing wage rates apply.**

The following items of work apply to this project:

| | | |
|----------------------------------|--------------------------------|----------------------------------|
| General Conditions | Metal Wall Panels | Hauling |
| Demolition | Metal Roofing | Trenching & Backfill |
| Concrete Formwork | Caulking & Joint Sealants | Erosion Control |
