PEAK

SMARTER PROCUREMENT  
FOR PUBLIC GOOD

# Purpose of This Session

- Provide an open forum for procurement discussions across the 58 community colleges
- Address questions or clarify information shared at the conference
- Discuss current procurement challenges, trends, and needs
- Gather feedback to strengthen statewide procurement support

# Questions & Clarifications

- Do you have any questions about the procurement topics presented today?
- Is there any area where further clarification is needed?
- Are there processes, regulations, or policies you would like us to revisit?

# Open Forum Discussion

- What procurement challenges are you facing at your college?
- Are there common vendor, contract, or compliance issues?
- What best practices have been most effective at your institution?
- What tools or support would help you improve procurement operations?
- Others?

# Next Steps & Continued Support

- Follow-up procurement resources will be shared after the conference
- Ongoing support available to all 58 community colleges
