# Federal Surplus Property

## Who we are:

North Carolina  
Department of  
Administration/NC Division  
of Surplus Property.

Federal Donation Program  
governed by the General  
Services Administration.

We serve as a procurement  
and distribution  
organization,

100% funded by Service  
charges to cover our  
operating expenses

# What we do:

Screen, acquire, and distribute property to qualifying organizations within the State of North Carolina.

Property is donated at a service charge to cover operating expenses

FYE 6/30/2025, \$5,909,485 in donee savings, based on original acquisition cost.

# Who are our property recipients?

Public Agencies, including State Agencies,  
Political subdivisions

Quasi-Public Agencies

Qualifying nonprofits, including tax-exempt  
educational, public health organizations.

SBA 8a contractors and Veteran Owned  
Small Businesses

# Program Participation

All items acquired through the program have a utilization period.

Property must be put into use within 12 months from the date acquired.

Items are for organizational business use only, never for personal use.

Utilization periods are based on original acquisition cost and may be perpetual.
