

Locking Devices & Accessories - 4617A

The Division of Purchase & Contract has established a new statewide term contract to provide locking devices and accessories.

This is a mandatory contract for state agencies, departments, institutions, universities, and community colleges - unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by North Carolina General Statute may use this contract.

New Contract Highlights

This contract covers the state's normal requirements for locking devices and accessories in the following categories:

- Category A** Padlocks, Padlocks-Removable Core, Padlock Case Less Core
- Category B** Combination Padlocks (Non-Key), Combination Padlocks (Key Control)
- Category C** Auxiliary Locks, Deadbolts
- Category D** Electronic Locks and Component
- Category E** Exit Devices
- Category F** Door Lock Sets, Door Lock Sets Less Core
- Category G** Lock Cores/Cylinders
- Category H** Door Closers
- Category I** Key Blanks, Key Machines, Pinning Kit, Door Protectors, Cabinet Locks, Butts & Hinges

Each vendor has a dedicated account manager to ensure that agencies receive contract pricing regardless of the order channel (i.e., E-Procurement, procurement card, phone, fax, or email).

The Division of Purchase & Contract is focused on establishing statewide term contracts that provide customers with goods and services at the best value.
