Procurement 411 Quarterly Webinar

PROCUREMENT 411

**Thursday,
September 12**
10 a.m. - 12 p.m.

Join purchasing and contract professionals from across the state to hear about recent developments and learn how they may impact *your* agency.

There will be opportunities to ask questions during the session.

During this webinar, we will discuss the following:

Contract Management

- Rules review
- Procurement Manual updates
- Agency surveys

Operations and Systems Support

- eVP system releases (feature overview)
 - Sprint releases moving forward
- NCeP Buying, Sourcing, and Contracts updates
 - Improved eForms process
- Open Budget updates
- Guided Sourcing timeline

Procurement Education

- New certification cohorts begin October 2024
- Pre-registration required for NCPA virtual events
- Save the date for 2025 PEAK

Risk & Compliance Management

- Review requests and submission methods

Strategic Sourcing

- Newly awarded statewide term contracts
- In-process statewide term contract projects
- Expired contracts
- Community college/university submission requests
