The Contract resulting from this IFB is mandatory for State Departments, most State Agencies, and State Higher Education Institutions (except under the conditions specified in G.S. 115D-58.14(a) and G.S. 116-13). The Contract may also be utilized, without further competition, by non-mandatory State Agencies and Other Eligible Entities.

The initial contract term shall be for five (5) years, beginning on the date the Contract is executed by the State (the "Effective Date") with now renewal option. The State reserves the right to extend a contract term for a period of up to 180 days in 90-day-or-less increments.

2.0 GENERAL INFORMATION

2.1 INVITATION FOR BIDS DOCUMENT

The IFB is comprised of the base IFB document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this IFB in advance of any Contract award are incorporated herein by reference.

2.2 E-PROCUREMENT SOLICITATION

ATTENTION: This is an E-Procurement solicitation. See paragraph entitled ELECTRONIC PROCUREMENT of the North Carolina General Contract Terms and Conditions.

The Terms and Conditions made part of this solicitation contain language necessary for NC eProcurement. It is the Vendor's responsibility to read these terms and conditions carefully and to consider them in preparing its proposal. By execution of this IFB, Vendor agrees to and acknowledges acceptance of all terms and conditions, including those related to NC eProcurement usage. General information about NC eProcurement can be found at: <http://eprocurement.nc.gov/>.

What is the Ariba Network?

The Ariba Network is a web-based platform that serves as a connection point for buyers and vendors. Vendors can log in to the Ariba Network to view purchase orders, respond to electronic requests for quote, participate in Sourcing Events, and collaborate with buyers on contract documents.

2.3 NOTICE TO VENDORS REGARDING IFB TERMS AND CONDITIONS

It shall be the Vendor's responsibility to read the Instructions, the State's terms and conditions, all relevant exhibits and attachments, and any other components made a part of this IFB and comply with all requirements and specifications herein. Vendors also are responsible for obtaining and complying with all Addenda and other changes that may be issued in connection with this IFB.

If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this IFB, those must be submitted as questions in accordance with the instructions in Section 2.6 BID QUESTIONS. If the State determines that any changes will be made as a result of the questions asked, then such decisions will be communicated in the form of an IFB addendum. The State may also elect to leave open the possibility for later negotiation and amendment of specific provisions of the Contract that have been addressed during the question and answer period. Other than through this process or negotiation under 01 NCAC 05B.0503, the State rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor's bid. This applies to any language appearing in or attached to the document as part of the Vendor's bid that purports to vary any terms and conditions or Vendors' instructions herein or to render the bid non-binding or subject to further negotiation. Vendor's bid shall constitute a firm offer that shall be held open for the period required herein ("Validity Period" above).

By execution and delivery of this IFB Response, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposely or inadvertently, shall have no force or effect, and will be disregarded. Noncompliance with, or any attempt to alter or delete, this paragraph shall constitute sufficient grounds to reject Vendor's bid as nonresponsive.

By executing and submitting its bid in response to this IFB, Vendor understands and agrees that the State may exercise its discretion not to consider any and all proposed modifications Vendor(s) may request and may accept Vendor's bid under the terms and conditions of this IFB

Upon review of the IFB documents, Vendors may have questions to clarify or interpret the IFB in order to submit the best bid possible. To accommodate the Bid Questions process, Vendors shall submit any such questions by the above due date.

Written questions shall be submitted through the Message Board in the Sourcing Tool by the date and time specified in the IFB Schedule section of this IFB. Vendors will enter "IFB # DPC320199782-BJ – Questions" as the subject in the Message. Questions submittals should include a reference to the applicable IFB section for each question.

Questions received prior to the question submission deadline date, the State's response, and any additional terms deemed necessary by the State will be posted in the form of an addendum to the IFB in Section 3 of the Sourcing Event in the Sourcing Tool and shall become an Addendum to this IFB. No information, instruction or advice provided orally or informally by any State personnel, whether made in response to a question or otherwise concerning this IFB, shall be considered authoritative or binding. Vendors shall rely *only* on written material contained in an Addendum to this IFB.

2.6 BID SUBMITTAL

IMPORTANT NOTE: This is an absolute requirement. Vendor shall bear the risk of late submission due to unintended or unanticipated delay. It is the Vendor's sole responsibility to ensure its bid has been received as described in this IFB by the specified time and date of opening. Failure to submit a bid in strict accordance with instructions provided shall constitute sufficient cause to reject a Vendor's bid(s). Solicitation responses are subject to Sealed Bidding requirements.

Vendor's bids for this procurement must be submitted through the Sourcing Tool. For training on how to use the Sourcing Tool to view solicitations, submit questions, develop responses, upload documents, and submit offers to the State, Vendors should go to the following site: <https://eprocurement.nc.gov/training/vendor-training>

Questions or issues related to using the Sourcing Tool itself can be directed to the North Carolina eProcurement Help Desk at 888-211-7440, Option 2. Help Desk representatives are available Monday through Friday from 7:30 AM EST to 5:00 PM EST.

Tips for Using the Sourcing Tool

1. Vendors should review available training and confirm that they are able to access the Sourcing Event, enter responses, and upload files well in advance of the date and time response are due to allow sufficient time to seek assistance from the North Carolina eProcurement Help Desk.

2. Vendors may submit their responses early to make sure there are no issues, and then submit a revised response any time prior to the response due date and time. The State will only review the most recent response.
3. Vendors should respond to all relevant sections of the Sourcing Event. Certain questions or items are required in order to submit a response and are denoted with an asterisk. The Sourcing Tool will not allow a response to be submitted unless all required items are completed. The Sourcing Tool will provide error messages to help identify any required information that is missing when response is submitted.
4. Simply saving your response in the Sourcing Tool is not the same as submitting your response to the State. Vendors should make sure they complete the submission process and receive a message that their response was successfully submitted.

2.7 BID CONTENTS

Vendors shall provide responses to all questions and complete all attachments for this IFB that require the Vendor to provide information and upload them to the Sourcing Event in the Sourcing Tool. Vendor may not be able to submit its response in the Sourcing Tool unless all required items are addressed. Vendors shall provide authorized signatures where requested. Failure to provide all required items, or Vendor's submission of incomplete items, may result in the State rejecting Vendor's bid, in the State's sole discretion.

Vendors shall upload the following items and attachments in the Sourcing Tool:

- a) Cover Letter, must include a statement that confirms that the Vendor has read the IFB in its entirety, including all links, and all Addenda released in conjunction with the IFB.
- b) Title Page: Include the company name, address, phone number and authorized representative along with the Bid Number.
- c) Completed and signed version of EXECUTION PAGES, along with the body of the IFB.
- d) Signed receipt pages of any addenda released in conjunction with this IFB, if required to be returned.
- e) Vendor Response
- f) Completed version of ATTACHMENT A: PRICING SUBMITTAL WORKBOOK
- g) Completed and signed version of ATTACHMENT D: HUB SUPPLEMENTAL VENDOR INFORMATION
- h) Completed and signed version of ATTACHMENT E: CUSTOMER REFERENCE FORM
- i) Completed and signed version of ATTACHMENT F: LOCATION OF WORKERS UTILIZED BY VENDOR
- j) Completed and signed version of ATTACHMENT G: CERTIFICATION OF FINANCIAL CONDITION

2.8 ALTERNATE BID

Vendor may submit an alternate bid for various methods or levels of service(s) or that proposes different options, in addition to its principal bid. Alternate bid must specifically identify the IFB requirements and advantage(s) addressed by the alternate bid. If Vendor is submitting an Alternate Bid for this IFB, Vendor shall follow specific instructions for uploading Alternate Bid to its response in the Sourcing Tool.

Both the principal bid and the alternate bid must be for a specific set of goods and must include specific pricing. The principal bid and the alternate bid must be complete and independent of each other.

3.0 METHOD OF AWARD AND BID EVALUATION PROCESS

3.1 METHOD OF AWARD

North Carolina G.S. 143-52 provides a list of criteria the State shall use to award contracts. The goods or services being procured shall dictate the application and order of criteria; however, all award decisions shall be in the State's best interest.

All responsive bids will be reviewed, and award or awards will be based on the responsive bids(s) to provide the estimated requirements as to breadth of lines, highest % discount offered off MSRP List, quantity, quality, delivery, service, and/or geographical coverage. It is the State's intent to have multiple manufacturers represented in each category. In the event that two, or more Vendors offer the same manufacturer's product(s), it is the intent of the state to make an award to the Vendor with the most complete offering, and highest % discount offered off MSRP List for a particular manufacturer's product(s). Products offered must currently be available on the manufacturer's published MSRP. Submission of price schedules developed specifically for this Bid WILL result in disqualification from award consideration.

Contracts will be awarded in accordance with G.S. 143-52. All responsive bids will be reviewed, and award or awards will be based on the responsive bid(s) offering the lowest price that meets the requirements set out herein.

The status of a Vendor's e-Procurement Services account(s) shall be considered a relevant factor in determining whether to approve the award of a contract under this IFB. Any Vendor with an E-Procurement Services account that is in arrears by 91 days or more at the time of bid opening may, at the State's discretion, be disqualified from further evaluation or consideration.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

While this IFB is under evaluation, the responding Vendor, including any subcontractors and suppliers, is prohibited from engaging in conversations intended to influence the outcome of the evaluation. See the Paragraph of the Instructions To Vendors entitled Confidential Information.

3.3 BID EVALUATION PROCESS

The State shall review all Vendor responses to this IFB to confirm that each one complies with the specifications and requirements of the IFB.

The State will conduct an evaluation of responsive Bids, as follows:

- Bids will be received according to the method stated in section 2.6.
- All bids must be received by the issuing agency not later than the date and time specified on the cover sheet of this IFB.
- At the date and time specified as the bid opening, the bid responses from each responding Vendor will be opened publicly and the name of the Vendor(s) will be announced. Interested parties are cautioned that these costs and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's pricing position. If negotiation is anticipated under 01 NCAC 05B.0503, pricing may not be public until award.
- At their sole option, the evaluators may request oral presentations or discussions with any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not. Therefore, all bids should be complete and reflect the most favorable terms available from the Vendor. Prices bid cannot be altered or modified as part of a clarification.

- Bids will generally be evaluated, based on completeness, content, cost and responsibility of the Vendor to supply the requested goods and services.
- Upon completion of the evaluation process, the State will make Award(s) based on the evaluation and post the award(s) under the IFB number for this solicitation. Award of a Contract to one Vendor does not mean that the other bids lacked merit, but that, all factors considered, the selected bid was deemed most advantageous and represented the best value to the State.

The State reserves the right to negotiate with one or more vendors, or, if the initial responses to the RFP have been evaluated and determined to be unsatisfactory, to reject all original offers and negotiate with one or more sources of supply that may be capable of satisfying the requirement, and, in either case, enter into a best and final offer (BAFO) based on discussions and negotiations with the State. 01 NCAC 05B.0503.

3.4 PERFORMANCE OUTSIDE THE UNITED STATES

Vendor shall complete ATTACHMENT F: LOCATION OF WORKERS UTILIZED BY VENDOR. In addition to any other evaluation criteria identified in this IFB, the State may also consider, for purposes of evaluating proposed or actual contract performance outside of the United States, how that performance may affect the following factors to ensure that any award will be in the best interest of the State:

- a) Total cost to the State
- b) Level of quality provided by the Vendor
- c) Process and performance capability across multiple jurisdictions
- d) Protection of the State's information and intellectual property
- e) Availability of pertinent skills
- f) Ability to understand the State's business requirements and internal operational culture
- g) Particular risk factors such as the security of the State's information technology
- h) Relations with citizens and employees
- i) Contract enforcement jurisdictional issues

3.5 INTERPRETATION OF TERMS AND PHRASES

This IFB serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the State; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether bids should be evaluated or rejected, the State will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the State's needs as described in the IFB. Except as specifically stated in the IFB, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the State exercising its discretion to reject a bid in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements and specifications (herein collectively "requirements") related to this IFB. By submitting a bid, the Vendor agrees to meet all stated requirements in this Section and as otherwise stated in this IFB. If a Vendor is unclear about a requirement or believes a change in a requirement would allow for the State to receive a better bid, the Vendor is encouraged to submit these items in the form of a question during the question-and-answer period.

4.1 PRICING

Bid prices shall be based on a percentage discount off the current manufacturer's suggested retail price (MSRP) or other manufacturer's current published price listing (List Price, Suggested Retail Price, etc.) for each category.

Any price list other than a manufacturer's current published price list is unacceptable. A discount should be provided for each category shown in **ATTACHMENT A-PRICING SUBMITTAL WORKBOOK** where the manufacturer offers a product. If a manufacturer does not offer a product in one or more of the listed categories, those categories may be left blank. A separate discount may be offered for each line item in each category, or a single discount may be offered for the entire category.

4.1 ADDITIONAL SAVINGS OFFERS/REBATES

This component of the Pricing Response is optional, but the State encourages Vendors to provide additional financial incentives/rebates, if possible, within the scope of this IFB, that will benefit the State. These additional incentives could include, but are not limited to, additional discounts based on total spend volumes, rebates, additional discounts by manufacture etc. Additional Discount Offers shall be in addition to the discounts Vendor offers as a Discount Off MSRP List Price. Additional Discount Offers should be provided in **ATTACHMENT A: PRICING SUBMITTAL WORKBOOK**.

If a rebate is offered, it will be based on Section 7.7 QUARTERLY REPORTS. The Vendor shall submit the rebate amount due by check with the "Contracts Number," "Report Amount," and "Report Period" on either the check stub or other remittance materials. The payment shall be made by check as described herein.

Checks shall be payable to: NC Division of Purchase and Contract

Checks shall be mailed to:

DOA/Division of Purchase and Contract
116 W. Jones Street
Raleigh, NC 27616

All discounts in Vendor's bid shall remain in effect for the entire contract period and shall not be decreased. However, the discount may be increased, and any such increase shall remain in effect for the remainder of the contract period and any subsequent extensions. Volume or tier discounts, if offered, shall apply to purchase orders placed for delivery to the same location. Vendor may provide volume or tier discounts to orders that include multiple delivery points from the same agency.

The State reserves the right to accept or reject all or part of proposed Additional Discount Offers as part of a Vendor's Total Price Submittal Value. The State has sole discretion to not assign value to Vendor's proposed Additional Discount Offers which the State cannot quantify or to give only partial value for Additional Discount Offers. Vendors may offer the State additional discounts using the Additional Discount Offers within **ATTACHMENT A: PRICING SUBMITTAL WORKBOOK**.

4.2 ORDER CHANNEL AND PAYMENT METHOD

The State expects the vast majority of orders to be submitted electronically through the State's E-Procurement System. However, the State recognizes that orders may be placed at times through alternate channels such as by phone, through email, or in person and that buyers may also utilize, at times, a procurement card (State credit card) as a method of payment. Regardless of the order channel or payment method, the State shall receive Contract pricing when purchasing Contract items from the Vendor.

4.3 MINIMUM ORDERS

The minimum order amount, qualifying for prepaid transportation, is **\$50.00** for any single order. State entities for which this Contract is mandatory shall be required to use the contract for orders less than the minimum order amount. However, in such cases the order will be shipped prepaid and actual transportation charges may be added to the invoice as a separate line item. The transportation costs charged for orders below the minimum

order amount should be commensurate with or less than shipping charges of major small package shippers such as the US Postal Service. No surcharge or handling charge shall be added or assessed for such orders. Vendor must provide an estimated shipping amount to the Buyer upon request.

4.4 TRANSPORTATION AND IDENTIFICATION

All goods shall be delivered **FOB DESTINATION STATEWIDE** for orders equal to, or greater, than the minimum order amount, when shipped to a single destination. Orders for less than the minimum order amount will be dispensed, with transportation charges added to the invoice as a separate item. Transportation charges levied by the Vendor for orders equal to, or greater than the minimum order, when shipped to a single destination, shall constitute good cause for the Vendor to be held in default of the contract. In instances where the Vendor makes a partial shipment to one destination of an order that is equal to, or greater than, the minimum order, all other shipments of the order shall be sent **FOB DESTINATION** with NO additional transportation charges.

When an order is placed using a purchase order, the purchase order number shall be shown on all packages and shipping manifests to ensure proper identification and payment of invoices. If an order is placed without using a purchase order, such as via phone, the Buyer's name shall be show on all packages. A complete packing list shall accompany each shipment. Vendors shall not ship any products until they have received an order.

4.5 DELIVERY, OUT-OF-STOCK, AND BACK-ORDERS

The successful Vendor shall complete the delivery to ordering locations throughout the State within **fourteen days (14) consecutive calendar days** after receipt of purchase order, unless otherwise stated here: _____ days. The State reserves the right to consider delivery schedules offered as a factor in the award of the contract.

All deliveries shall be delivered to the location specified by the Buyer in the Purchase Order. The specified location may include a loading dock or area inside a building. Awarded Vendor shall notify Buyer at least two (2) business days in advance of a delivery to allow for the availability of agency personnel to receive the product(s) if agency so requires on its purchase order.

Vendor shall furnish all necessary transportation, materials, and supplies as may be required to deliver ready for owner's use. The Awarded Vendor shall notify the Buyer when one or more items in an order cannot be delivered within the time specified. After notification to the Buyer of a fulfillment delay of one or more items in a shipment, the Buyer may cancel undelivered items within an order, or an order in its entirety, without penalty or charge, providing the cancellation occurs before the delayed item or order has shipped.

4.6 PRODUCT RECALL

Vendor expressly assumes full responsibility for prompt notification to the Buyer listed on the face of this IFB of any product recall in accordance with the applicable state or federal regulations. The Vendor shall support the State, as necessary, to promptly replace any such products, at no cost to the State. Pickup will be within five (5) working days from the date of notification or at the next delivery, whichever is sooner, or as specified in the recall notice.

4.7 DEFECTIVE PRODUCTS

In the event a product is found to be defective, Vendor agrees to replace the item immediately or within five (5) business days at no additional charge to the State. Failure to do so may cause Vendor to become ineligible to receive future contract awards or purchase orders.

4.8 RETURN POLICY

Vendor shall accept merchandise returns from the State for a period of thirty (30) business days after delivery. Vendor shall provide full credit or full refund to the State, whichever the State requests, within thirty (30) business days on all returns of ordered product that are in original packaging and in re-sellable conditions.

4.9 WARRANTY

The manufacturer's standard warranty shall apply unless otherwise stated. Vendor shall include a copy of the manufacturer's standard warranty with its bid response. In addition, Vendor guarantees items provided to be free from any and all defects in material, packaging and workmanship and shall replace defective items promptly at no charge to the State. Such warranty shall cover the cost of all defective parts replacement, labor, freight, and technicians travel at no additional cost to the State.

4.10 DESCRIPTIVE LITERATURE AND PRICE LISTS

Each Vendor should submit a complete set of the manufacturer's published literature and price list(s) which cover all products offered herein within seven (7) business day days after request is made by the State. Altered, or unpublished price lists/literature may subject your bid to rejection. The successful Vendor shall furnish price lists, catalogs, and descriptive literature to any using agency upon request of the agency.

4.11 QUALITY ACCEPTANCE INSPECTION

It is the responsibility of the receiving agency to inspect all materials, supplies and equipment upon delivery to ensure compliance with the Contract requirements and specifications.

INVOICES MAY NOT BE PAID BY THE USING AGENCY UNTIL AN INSPECTION HAS OCCURRED, AND THE GOODS ACCEPTED.

4.12 AUTHORIZED RESELLER
