

New Statewide Term Contract

2518A – Class 8 Truck Cab and Chassis

Effective Dates: April 1, 2025 – April 1, 2030

The Division of Purchase & Contract has established a new statewide term contract that covers the state's normal requirements for class 8 truck cab and chassis with a gross vehicular weight of 33,000 pounds or larger.

This is a **mandatory** statewide term contract for state agencies, departments, institutions, universities, and community colleges, unless exempted by North Carolina general statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by general statute, may use this contract.

[Learn more](#)

Vendors shall maintain access to a complete inventory of repair parts for the offered equipment, located within the United States, for ten (10) years after the date of acceptance of the equipment.

Critical repair parts from the described inventory shall be received by the designated repair depot within five (5) working days after the request. 'Critical repair parts' are defined as parts which are essential for the safe and proper operation of equipment.

Vendors shall provide service to all 100 North Carolina counties. The State reserves the right to request training and instruction for operators in proper operation, maintenance, and service of equipment.

The Division of Purchase & Contract aims to establish statewide term contracts that provide customers with goods and services at the best value.
