Michael J. Shumsky, P.E., Secretary  
State Building Commission  
New Education Building  
301 N. Wilmington Street, Suite 450  
Raleigh, NC 27601

Subject: Construction Manager At Risk Selection  
North Carolina State Port Authority  
Berth 6-7 Improvements  
Port of Morehead City

Mr. Shumsky:

The above project was advertised for Construction Manager At Risk services using the North Carolina electronic Vendor Portal (eVP). All Construction Manager At Risk selection procedures prescribed by the State Building Commission were followed leading to a priority recommendation as follows:

1. Balfour Beatty Construction, LLC (Wilmington, NC)
2. Muter Construction, LLC (Zebulon, NC)

Thank you for your consideration.

Sincerely,

Christopher Nerell, Project Manager  
Capital Projects Coordinator
