MMCAP Infuse grants to Vendor an unlimited, non-revocable, nontransferable, fully paid license, for the term of this Agreement, to: (A) release state specific data to a Member's primary contact; (B) release any of the above data to product manufacturers, when necessary for the performance of this Agreement or as required by Vendor's agreements with such product manufacturers; (C) to release any of the above data to other MMCAP Infuse approved third parties, when necessary for the performance of this Agreement; (D) to provide Member purchase data to aggregators, including IQVIA and NDC Health, subject to Vendor's reasonable efforts to require such data aggregators to protect any identifiable data from discovery by another third party; and (E) to provide Member purchase data to other group purchasing organizations of which the Member is also a member, provided such data will not include MMCAP Infuse-identifiable data. Any MMCAP Infuse identifiable data provided hereunder to a third party must identify the data as MMCAP Infuse data and subject to Minnesota Statutes, Chapter 13. To the extent permitted by law, Vendor hereby agrees that in the event that MMCAP Infuse or a Member requests in writing that its purchase data be kept confidential, such data will not be provided to third party aggregators.
- 10.2 **Vendor Ownership.** Vendor owns all rights, title, and interest to any aggregated data not identifiable as arising from this Agreement and any other intellectual property created for or presented to MMCAP Infuse. The Vendor represents and warrants that the works and documents do not and will not infringe upon any intellectual property rights of other persons or entities.
- 10.5 **Intellectual Property Indemnification.** The Vendor will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless MMCAP Infuse, at the Vendor's expense, from any action or claim brought against MMCAP Infuse to the extent that it is based on a claim of an infringement upon the intellectual property rights of others. The failure of MMCAP Infuse to obtain a Certificate of Insurance, for the policies required under this Agreement or renewals thereof, or failure of the insurance company to notify MMCAP Infuse of the cancellation of policies required under this Agreement shall not constitute a waiver by MMCAP Infuse to the Vendor to provide such insurance. MMCAP Infuse reserves the right to immediately terminate the Agreement if the Vendor is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against the Vendor. All insurance policies must be open to inspection by MMCAP Infuse and copies of policies must be submitted to MMCAP Infuse. If during the course of the Agreement the Vendor becomes eligible for Workers' Compensation statutory requirements, the Vendor must comply with the Workers' Compensation Insurance requirements herein and provide MMCAP Infuse with a certificate of insurance.
- B. Commercial General Liability Insurance. Minnesota Auditor or Legislative Auditor, as appropriate, for a minimum of six (6) years from the end of this Agreement. This clause extends to the Membership as it relates to business conducted with and sales to a Member.

- A. **Invoice and Pricing Audit.** MMCAP Infuse and Members served by this Agreement may periodically audit validity of invoice pricing. Such audits may be conducted only during ordinary business hours and upon reasonable notice.
- B. **Costs.** Vendor, MMCAP Infuse, and Members shall each be responsible for its own costs associated with any audit, including costs related to the production of records and/or other documents requested by the other party.

12.3 **Assignment.** The Vendor may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of MMCAP Infuse and a fully executed assignment agreement.

12.4 **Amendments.** Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved this Agreement, or their successors in office.

12.5 **Order of Precedence.** Vendor agrees that applicable federal and state law will supersede this Agreement, however this Agreement will take precedence over all other the terms, covenants, conditions, commitments, stipulations, Order System, Purchase Orders, website use of terms, and other legal documents MMCAP Infuse, Vendor, and/or Member may use in the performance of this Agreement. If the provisions of this Agreement are inconsistent, or are modified, diminished, or derogated with any of the terms and provisions of the aforementioned legal documents in this Paragraph, this Agreement will supersede and govern. MMCAP Infuse does not agree to or bound by any additional terms and conditions between the Vendor and Member.

- A. **Purchase Orders and MPA.** In respect to the relationship between the Vendor and Member, a Purchase Order and/or MPA may override certain aspects of this Agreement under narrow circumstances outlined and specified in the aforementioned documents.

12.6 **Counterparts and Electronic Signature.** The Agreement cannot be executed in counterparts and will not be enforceable until MMCAP Infuse has obtained all required signatures. MMCAP Infuse and Vendor expressly agree to conduct transactions under the Agreement by electronic means (including, without limitation, with respect to execution, delivery, storage, and transfer of this Agreement by electronic means and to the enforceability of this electronic agreement). MMCAP Infuse will be deemed to have control of the authoritative copy for the electronic transferable record, in each case regardless of whether applicable law recognizes electronic transferable records or control of electronic transferable records and regardless of whether this Agreement is an electronic record or transferable record.

12.7 **Severability.** If any provision of the Agreement, including items incorporated by reference, is found to be illegal, unenforceable, or void, then both MMCAP Infuse and the Vendor will be relieved of all obligations arising under such provisions. If the remainder of the Agreement is capable of performance, it will not be affected by such declaration or finding and will be fully performed.

12.8 **Waiver.** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.

12.9 **Governing Law, Jurisdiction, and Venue.** Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings out of this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

- iii. **Consequences.** The consequences for the Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Agreement by the Commissioner or Minnesota.
 - iv. **Certification.** The Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.
5. **E-Verify certification (In accordance with Minn. Stat. § 16C.075).** For services valued in excess of \$50,000, Vendor certifies that as of the date of services performed on behalf of Minnesota, Vendor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of Minnesota. Vendor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EVerifySubCertForm.doc>. All subcontractor certifications must be kept on file with Vendor and made available to Minnesota upon request.
 6. **Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053).** The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Vendor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.
 7. **Contingency Fees Prohibited.** Pursuant to Minn. Statute § 10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.
 8. **Diverse Spend Reporting.** If the total value of this Agreement may exceed \$500,000 in Minnesota, including all extension options, the Vendor must track and report, on a quarterly basis, the amount paid to diverse businesses both: (A) directly to subcontractors performing under the Agreement, and (B) indirectly to diverse businesses that provide supplies/services to your company (in proportion to the revenue from this Agreement compared to your company's overall revenue). When this applies, you will be set up in a free portal to help report the Tier 2 diverse spend, and the requirement continues as long as the Agreement is in effect.
 9. **Retainage for Minnesota Government Units.** Under Minn. Stat. § 16C.08, subd. 2 (10), no more than ninety percent (90%) of the amount due under this Agreement may be paid until the final product of this Agreement has been reviewed by a Minnesota agency head. The balance due will be paid when the Minnesota agency head determines that the Vendor has satisfactorily fulfilled all the terms of this Agreement.
 10. **Payment to Subcontractors.** To the extent applicable, the Vendor must pay all subcontractors in accordance with Minn. Stat. § 16A.1245.
